WILL CAMP AT JEFFERSON

July 23 to 30 Fixed as Date for District League Institute

Burgess Ford, registrar of the district Epworth League institute which will be held at Jefferson July 23 to 29 this year gave an illustrated lecture on the institute at the M. E. church Friday evening. Mr. Burgess says that, as planned, the institute is far better than ever before. Additional courses will be offered, one of which is the "History of Methodism."

Reverend S. A. Danford pastor of the local Methodist church will speak on the subject "Home Missions and Rural Work." Mr. Danford is well fitted to talk on this subject having spent much time in the work.

Every person attending the institute must furnish his own tent, beds, cooking utensils, etc. Arrive any time on Monday, July 23rd and leave any time Monday, July 30. Your baggage will be transferred free of charge on the days mentioned.

The camp grounds are on the outskirts of the town and will accommodate as many people as go. Lunch stands will be situated on the grounds for those who do not care to do their own cooking. It is hoped that arrangements can be made to secure enough automobiles to take all of the delegates on a trip through the rural district and to several points of interest.

SOCIAL EVENTS

CHRISTIAN ENDEAVOR SOCIAL

At the Christian Endeavor business and social meeting last Friday evening the first paper which the Endeavor has planned to print to send to the boys who have enlisted was read. After the meeting games and refreshments were much enjoyed. The refreshments consisted of pies which each person brought. Those who attended the social were: Vera Senseney, Ellen Lambert, Gladys Lepley, Marjorie Shay of Cottage Grove, Frances Travis, Mrs. Beulah Bucknum, Mrs. Jensen, Helen Roberts, Ruby Senseney, Nell Nixon, Gertrude Williams, Ethlyn Powers, Metta Sneed, Pat Conley, Oscar Lee, Glen Ditto, Mr. Jensen, Mr. Kelly, Harry Nixon, Delbert Bucknum, Fenner Travis, Ray Alexander, Tommy Nixon, and John Alexander.

EPWORTH LEAGUE PICNIC

Instead of the regular monthly social and business meeting of the League a picnic was held on the island back of the flour mill Friday evening. The evening was spent in playing games and sitting around the camp fire. Of course the best part of the evening was the eats and by the way the sandwiches and "dogs" disappeared you would have thought they hadn't had anything to eat for a long time. Those in attendance were Lucy Copenhaver, Mrs. B. Van Valzah, Grace Walker, Bernice Cagley, Grace Male, Olive Smith, Bea Holbrook, Lucile Smith, Frances Bartlett, Reta Johnson, Nellie Copenhaver, Chloe Woolley, Audrey Perkins, Ella Boeson, Dorris Sikes, Paul Scott, Oswald Olson, Orson Vaughn, Creed Brattain, and Orville Phelps.

MAKES CLUBBING ARRANGEMENT WITH

THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE OREGON FARMER whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of THE OREGON FARMER, will be entitled to receive THE OREGON FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
