FIRE SALE!

Now Going On

Laraway's Entire Stock Thrown on the Market at Fire Sale Prices

No attempt will be made to quote prices in this ad. There is no question but that the sale will prove welcome to the Christmas shoppers, as it will reduce quite materially the cost of gift giving. The substantial savings will enable you to buy more presents than you had previously planned.

Blaze Confined to Rear of Store

When Mr. Laraway received word that the store was on fire he exceeded the speed limit, and upon reaching the store ordered that front door be kept locked, thereby confining the fire to the rear of the store. The result was the principal damage done by the flames was to the clock room, work rooms and building, thanks to the heroic efforts of the fire ladders. At no time did the fire or water reach the main salesroom or vaults, which accounts for the little damage done to the main stock. Our insurance adjuster has made a satisfactory allowance, and after careful deliberation we have decided to give our customers the benefit of this consideration. Consequently, Monday morning at 9 o'clock the Laraway stock in its entirety was placed on sale at fire sale prices.

Diamonds, Jewelry, Cut Glass, Hand Painted China, Watches, Clocks, Silverware, Leather Goods, Fancy Umbrellas, Parisian Ivory, Brassware, Gold and Silver Novelties, Etc.

The FIRE SALE PRICES will add to the pleasure of your Christmas shopping at Laraway's. Come as often as you like, for the goods at the prices will put added value to your dollars and cents.
