### Defense Society Issues Petition

Congress is Asked to Enact Law Imposing Punishment On Pro-Germans.

The American Defense society of Oregon has issued a petition asking that the Congress of the United States enact a law imposing punishment on any one connected with Pro-German activities. These petitions are at the two banks, the city hall and the mayor's office and every citizen is urged to sign them.

Following is the petition: "Whereas the security of the United States and the success of our arms are endangered by the activities of disloyal persons and organizations within the borders of our country, we, the citizens of the United States whose names are hereto subscribed, do hereby petition the Congress of the United States to enact forthwith a law imposing punishment upon all persons or organizations responsible for Pro-German activities, or for the publication or public utterance of statements tending

"To impede or interfere with the operations or success of the United States in war, or in recruiting or enlistment, or

"To hold the Government of the United States or any of our allies up to ridicule or obloquy, or

"To cause disloyalty or refusal of duty on the part of any person in connection with the war."
