

EVERY WOMAN CAN HELP NEXT LIBERTY LOAN

Woman's Committee for Twelfth Federal Reserve District to Form an Organization

By MRS. A. S. BALDWIN
(Chairman Woman's Liberty Loan Committee, Twelfth Federal Reserve District)

Now that we are actively in the war and our men are in the front line trenches; are being killed; are being gassed; are being maimed for life, it would seem that every woman in the land should be in the front ranks of the civilian workers to help the men win the war.

Each of us has her part to play, however small it may be, and whether it be great or small it is of importance that each shall perform her part to the utmost of her ability.

Some can buy Liberty Bonds, some can influence others to buy. Perhaps some can only help by conserving the use of food and clothing and by economizing in household expenditures, thus liberating and augmenting the essentials which must be sent "over there" for the use of our army and for the destitute civilian population of our allies.

In whatever way each woman of this Twelfth Federal Reserve District can help, let her do her utmost that we who are farthest from the front may sustain our part of the struggle, and keep for ourselves and our children the blessings and privileges we have inherited, and thus make it possible to win like blessings for the millions who are now in actual bondage.

We should not only save to help, but the great lesson to be learned also is to do now without non-essentials and to make sacrifices so that the labor which produces what we consider to be even essentials may be used to produce those things which are actually essential for the support and safety of those who are carrying the burden of this unprecedented struggle for freedom and democracy.

The aim of the Woman's Liberty Loan Committee is to form an organization which shall make the woman in every home in the land realize these conditions and her responsibility, that the message shall not reach her only from one direction, but from many, so that she shall be brought to a full realization of her responsibility.

C. W. B. M. Ladies Have Big Rally

Mrs. J. A. Bennet, State President and Mrs. C. O. Kurtz, State Secretary give Talk

The local chapter of the Christian Women's Board of Missions held a rally yesterday at the Christian church in this city. Mrs. J. A. Bennett of Silverton, state president of the C. W. B. M., and Mrs. C. O. Kurtz of Portland, state secretary, were special guests of the local ladies. They were served with a 12-o'clock dinner by the ladies of the church.

Mrs. Bennett spoke on "Needs of the Field." She said that this is a season for volunteer service and that we must volunteer our money, and ourselves if possible, to the cause of home and foreign missions. In China alone there are 500,000 Chinese in the section in which our missionaries are working, whom it is our task to educate and convert.

Mrs. C. O. Kurtz gave an address on "The Five-Year Campaign." We must have co-operation in this work, she said, and we must not relax our efforts for even a short time. Instead, each of us should strive to do even more than we have been able to do in the past.

Mrs. Wilson gave a beautiful reading and Mrs. Delbert Bucknum and Miss Mary Harding sang a duet. They were accompanied on the piano by Miss Gladys Lesley.

Mrs. Bennett then conducted a round-table talk before the meeting was dismissed. There was a good crowd out to the meeting, which was greatly enjoyed by all present.

Monday and Tuesday a plowing bee was held at the widow Miller's and the following persons participated: Lester Newman and team, David Wilhelm and team, Elmer Miller and team, R. P. Corburn and team, Henry Smith and team, Virgel Newman, Hiram Newman, John Conn and Arthur Edwards.

Enjoys Life in France.

Word has been received in this city by Mrs. Alice Holcomb from her son, Cleve Holcomb, who is in France, stating that he is well and happy and is learning more every day. He went over on the Tuscania the trip before she was sunk, and this is the first letter received from him since November the 15th. He is a member of Co. I, 162d infantry.

Estate Appraised.

Tuesday O. B. Kessey of this city was appointed administrator, and C. E. Swarts, E. E. Brattain and Welbey Stevens were appointed appraisers of the estate of the late R. W. Makinson, who died in Turlock, Calif., last November. Mr. Makinson formerly lived in Springfield. His estate is valued at \$20,000.

Pupils Sell Stamps.

The pupils of the Glenwood school are doing their bit by selling war saving stamps and 'rift stamps. They have sold \$315 worth of stamps, and three of their number belong to the Junior Rainbow regiment. They are: Richard Collins, Gladys Collins, and Jack Lemon.

Eat Red Cross Hat.

Ted Fisher and Earl Fulgham bought the bright-colored candy headgear at the Red Cross jubilee at Mabel Saturday night, and since they paid \$45 for it probably considered they had earned a taste of it. It was broken up and became a part of the "refreshments." The hat was one of three given the Red Cross by Otto's confectionery.

Constipation and Indigestion.

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person. adv.

They plan to do work for war relief, and will begin by making a quilt which will be sold and the proceeds given to help some patriotic cause. The ladies plan to meet every Friday afternoon, except the first Friday in the month, which is the regular meeting time. Delicious refreshments were served by the hostess Friday afternoon. Guests of Mrs. Eggmann were: Mrs. Al Montgomery, Mrs. Martha Langdon, Mrs. Alva Signor, Mrs. Sam Richmond, Mrs. Preston Green, Mrs. E. T. Montjoy, Mrs. Catherine Horton, and Mrs. Mary McGill. An excellent program was rendered and the baskets were auctioneered off. The sum of \$30 was realized and this will go to help out the Junior Red Cross work there. A good time was enjoyed by all.

MAKES CLUBBING ARRANGEMENT WITH THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE OREGON FARMER whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of THE OREGON FARMER, will be entitled to receive THE OREGON FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
