OUR LAST ISSUE.

With this issue we sever our connection with the Springfield News to take up a similar work at Oregon City. For more than two years we have labored faithfully among the people of this community in an effort to disseminate the news in an impartial manner and to serve the public as we saw our duty. But now opportunity calls us elsewhere and we leave to cast our lot in a community that is alive with industry.

Springfield is no exception to all the other inland towns. The population is rapidly decreasing, business rooms are being vacated and her citizens are moving to the centers of industrial activity. This is to be expected so long as there is an active demand for labor at good wages elsewhere. This condition makes it harder for those who have remained here to follow their pursuits.

We have nought but the most kindly feeling for the people of this community. We have enjoyed our sojourn here and we leave with no regrets for the treatment we have received.

We commend the patrons of The News to our successor and bespeak for him the same kind treatment accorded us.

Yours truly,
J. C. & WALTER R. DIMM.

GOVERNMENT POWDER PLANTS.

Operation has begun in two Government powder plants two months ahead of schedule. When the task of building the plants was considered by the War Department in January it was predicted that the production of powder might begin in August, barring unforeseen delays.

The \$12,000,000 allotted for the plants is expected to give the Government a smokeless powder production capacity equal to all other American plants combined. In construction of the plants it was found necessary to build a new town on each site to house the employees, and approximately 9,000 decent buildings were erected. Streets were put down and sewered, power plants constructed, and stores and hospitals built. Approximately 35,000 men worked on construction and about 30,000 will eventually be engaged in the actual production of powder.

DON'T EXPECT THE CHILDREN TO DO IT ALL.

Owing no doubt to the good work of those hustling, keen young boys and girls who have so generously given of their time and their pennies to the thrift campaign, the impression has been created in the minds of many that War Savings Stamps are for children only.

Let us stop to consider the matter for a moment.

The Congress authorized an issue of \$2,000,000,000 W. S. S. to be sold in 1918. The purpose of the Stamps was twofold: (1) To get money for the Government for war needs; (2) to install the habit of thrift in the American people and by the practice of thrift save labor and materials for the Government.

Can we expect the children, splendid workers that they are, to account for \$2,000,000,000 of Stamps?

Do we consider that the children

alone of all our population need to be inculcated with the thrift idea? Are they the only spendthrifts?

Certainly not.

War Savings Stamps are for everyone. No one, be he a millionaire or be he the humblest laborer, can say truthfully that he is not interested in W. S. S. and the saving program that they stand for.

There are, indeed, few men and women in the land unable to save and economize more than they do now. If they want to be listed among the patriotic people of the land they must save and economize more than they do now. The winning of the war with the least possible sacrifice demands this, for there are not enough labor and materials for the Government's war needs and for the use of the spendthrifts.

Cut those useless expenditures. All of us have them. Remember that our boys in the army and navy do not expect luxuries and do not grumble even if they do not get all the comforts that they are supposed to get.

On or before June 28 show the children that you, too, are enlisted in the War Saving Army.

SOCIAL EVENTS

CHRISTIAN ENDEAVOR ELECTS.

The Christian Endeavor of the Christian church held their election of officers for the Endeavor last Thursday evening in the church parlors. A good attendance is reported and a very enjoyable evening was spent after the election. Light refreshments of ice cream and wafers were served at a late hour. The election stands: Mabel Frost, president; Mary Harding, vice president; France Travis, secretary; Augusta Brabham, treasurer; Ida Carson, choister, and Ellen Lambert, organist.

PRISCILLA CLUB IS ENTERTAINED.

Mrs. I. D. Larimer delightfully entertained the Priscilla Club at her home last Friday afternoon. Roses and ferns were arranged beautifully about the rooms, and at the close of the afternoon dainty refreshments were served to the members and guests. Mesdames Clark, Wheaton, J. J. Bryan, Riley Snodgrass, Anna Knox, W. M. Rouse, J. M. Withrow, and A. P. McKinzey. This was the last meeting of the season.

Services at the West Side church will be held every Sunday. Sunday school at 10 a. m. and regular church services at 11 a. m. and 7:45 p. m. Prayer meeting on Thursday at 8 p. m. Mary E. Buckbee, pastor.

Eighteen Fancy Jersey Milk Cows for Sale.

Owing to my milkers leaving on short notice to go to the ship yards and logging camps, I am compelled to sell my entire herd within the next ten days. This herd is the result of years of careful herding and close selection, and is as good as the best in this part of the State. Cows are all young, heavy milkers, high testers and fourteen of them have been tuberculin tested. If you want a family cow on which you will take no chance and in which you can take pride, a price only a little greater than you will have to pay for a scrub call at the ranch, one mile south of Springfield (road over hill) at 4 to 6 p. m., when cows will be in the barn.

Whooping Cough

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by using Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm." adv
