

Plan to Can and Win the War

Serve your country—save the full yield of berries, fruits and vegetables. Successful canning is determined by attention to little details. Secure sealing is one of the essentials. We handle all of the best sealing materials—

BEE'S WAX AND ROSIN, PARAFFINE, STICK SEALING WAX, ETC.

If you wish to make success doubly sure, we can supply you with any of the harmless Preservatives and can tell you how to use them.

On to Eugene!

We feel it our patriotic duty to show Ambassador Gerard's "My Four Years in Germany"

Since the sinking of the Lusitania and America's declaration of war there has been no single event that has stirred the country more than the picture-ization of Ambassador Gerard's "Four Years in Germany."

The courageous stand and single-handed fight of one man against the combined intrigue of a war-crazed nation; his defiance of the Kaiser; the inner workings of the German diplomatic machinery; the mountain of insults and provocation that finally culminated in America's entering the war; all the high spots of interest are stirringly depicted in this extraordinary photoplay.

Sour Stomach
This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion. adv.
