

## There Is a Point Where Cheapness Ceases to Be An Economy

We have all bought Liberty Bonds to the limit, and find it necessary, therefore, to retrench along certain lines. Be wise, however, and don't let your economy extend to the buying of drugs.

### Drugs and Sundries

should be bought with the idea of quality in mind. Price should be a secondary consideration. We ask for your drug trade on the basis of best quality and superior service. In addition to this, we guarantee our prices to be as reasonable as those asked elsewhere.

"Quality is the true test of cheapness"

## Your Credit

is good here for any of our bakery products. We have inaugurated this credit system for the accommodation of many who find it inconvenient to pay as they go, but who want our famous Elephant Bread every day. All you need to do is to ask for the opening of a "bakery account" with us, and it is done instantly. We have the McCaskey system of accounting especially designed to record small sales and accuracy in the footing of a month's daily sales is thereby assured. You know all the time what your "daily bread" is costing you. If you are not a customer of ours we want you to come in and get acquainted with Elephant Bread, and if you so desire, open up a "bakery account."
