## SPRINGFIELD BOY IS MAKING GOOD IN SERVICE

Word comes from Rockwell Field, San Diego, by way of the soldier paper, "The Flight," that another Springfield lad is making good and rapidly climbing the ladder. We print a clipping below in reference to Sergeant First Class Korn, the 19-year-old son of Mrs. J. E. Hastings, who enlisted in the Aero Corps February 15, 1917, and from Vancouver, Wash., was sent to Rockwell Field, where he has been since:

"Sergeant First Class Korn occupies the chair and away the rod of authority in the orderly room now. It is his first experience as sergeant major, but it is said that he is showing symptoms of making good. He will have to go some to improve on his predecessor, but time will tell."

Sergeant Korn has held down the job as plane inspector, and overseer of plane crews since November, 1918, and has made several flights, although he is too young to man a machine by himself. One flight from San Diego to Los Angeles was made with Lt. E. Miller, and in a letter to his mother, he describes the peculiar sensations of his experience.

Mr. Korn enlisted before war was declared and, therefore, he must serve the remainder of his three-year enlistment before he can expect his discharge, which means seven months more.

## LANE COUNTY PIONEERS WILL GATHER TOMORROW

Lane county pioneers have concluded arrangements for their annual picnic which will be held in Hendrick's park tomorrow. A basket picnic will feature the day when the association gathers for business and for exchanging reminiscences. Any person who came to the state 50 years ago is eligible for membership in the association if he is now a resident of Lane county.

The gathering is not closed to outsiders, as the public is invited to be present.

W. W. Calkins, president of the United States Bank, of Eugene, has been selected as speaker of the day.

Association members are anxious that a large number of people take enough interest in the activities of the pioneers that they will drop their work or pleasures for a short time and go out to Hendrick's park. The only requisite is a basket of lunch.

## ANOTHER SPRINGFIELD BOY ARRIVES FROM FRANCE

Bery Cyrs, son of Mr. and Mrs. Joe Cyrs, of this city, arrived Wednesday after receiving his discharge at Camp Lewis on Tuesday.

Mr. Cyrs has three gold service stripes to his credit, and has a total of 261 days of active service at the front marked down on his record, with not a scratch, although he admits being in some very tight places at times.

On November 7th Cyrs enlisted with the 23rd Engineers and was shipped across almost immediately after, and entered active service soon after his arrival in France. First, at the Toul Sector, from February 23 to Nov. 11; Seicheprey Defensive, April 21 and 22; St. Mehl Offensive, Sept. 12th; Meuse Argonne Offensive, Oct. 16; and Xivray Offensive on June 16.

Mr. Cyrs has visited Paris twice, and has seen practically every inch of French soil. On May 4, 1918, he had a five-day furlough and visited his brother, Elmer, at Gievres, who is with the Marines and has been overseas for the past nine months.

On the return trip they were treated royally, according to Mr. Cyrs, and at every station a stop was made they were met by the Red Cross and the Salvation Army, and received a welcome from the townspeople such as only American people can accord. And to the Western coast he pays the tribute of having the world beaten.

Mr. Cyrs will leave for Everson, Wash., soon, where he will enter the garage business, and as most other returning soldiers have been beginning life anew with a wife, in everything, he hints that he will probably follow suit and take a queen.

A. L. Johnson, employed at the Booth-Kelly mill, was taken to the Eugene Hospital Thursday suffering from a severe attack of pneumonia.

## MOCK WEDDING ENTERTAINS CROWD AT WIENIE ROAST

A large crowd of young people of the Christian Endeavor Society, chaperoned by the pastor and wife, Mr. and Mrs. Teddy Leavitt, attended a "Wienie Roast" at the home of Purcell Myers on the McKenzie river, Wednesday.

A usuck wedding was the feature of the evening's entertainment, and caused much merriment among the guests. The "ceremony" was performed by Teddy Leavitt in regulation style, and every detail of an honest-to-goodness wedding was carried out.

The invited guests were Florence Myers, Mr. and Mrs. Weber, Lettie and Lettie Whitaker, Earl Lepley, Gladys Lepley, Fern Travis, France Travis, Ethel Woddis, Oscar Lee, R. and M. Miller, Ellen Lambert, Carrie Otto, Mr. and Mrs. Teddy Leavitt, Arnie and Venia Sneed, Marjo R. Scott, Russell Myers, Helen Myers, Fay Weber and Paul Myers.

The Goshen People entertained her returning soldiers with a chicken supper last night. Among the Springfield people who attended were Mr. and Mrs. E. E. Morrison. "We would bet on him going if there was to be a chicken."

## SPRINGFIELD FOUR L TEAM BEATS DONNA 14 TO 1

Last Sunday on the Springfield diamond the Springfield four L baseball team won from the Donna team by a score of 14 to 1. Only four innings were played, the Donna boys concluding they had enough by that time.

The local team is rounding out in good form and with the practice they will get between now and July 4th will give a good account of themselves when they play the regular Eugene team on that date.

## TEDDY LEAVITT TO SPEAK AT GLENWOOD

"Spiritual Nourishment" will be the subject of a lecture to be given at the Glenwood School on Friday night, by Rev. Teddy Leavitt. This will be carried out as a sort of communistic affair, and a quartette from the Christian church of Springfield will sing. The people of that district are very desirous of a large attendance, especially of the younger people, as the speaking will be directed mainly to the younger set. The Glenwood school is just across the wagon bridge.

## MARRIED

Cecil Mulligan son of Mr. and Mrs. "Mike" Mulligan, and Grace Nickum, daughter of Mr. and Mrs. Nickum, of his city were married at the M. E. Parsonage, Eugene, Saturday at 2:30 o'clock. Mr. and Mrs. Mulligan are well known here, having lived in this part of the country for several years. Cecil was recently discharged from the army at Camp Fremont, Calif. They have moved into the house on Fourth and G streets.

We print in this issue a notice of the wedding of Cecil Mulligan but which is not correct, however, it is just as he gave it to the reporter. The people of Springfield expect the news all the time, and want it correct and reliable. How can we do it when the parties concerned deliberately falsify to us? Mulligan was married Monday, in Springfield, instead of Saturday in Eugene, as stated.

## SLICK YOUNG MAN WORKS SYMPATHY GAME

A young man registered at the Springfield Hotel a few weeks ago by the name of Willis Kain, and now there are several Springfield citizens who are wondering what has become of him, for he has completely disappeared, and with him has gone a two weeks' rent bill, a two weeks' board bill, a suit of clothes belonging to a young man who out of the goodness of his heart loaned it to him while the missing man had his "one suit cleaned and pressed;" a barber bill; \$2.50 in cash loaned him by friend number two, and a cap taken from said friend's room. All these articles are presumably in the possession of Kain, having disappeared at the same time. Kain was another of those fellows who work on the sympathies of the public by wearing a uniform of the U. S. Army while running his credit towards the sky line. Moral: Have only one suit and wear it all the time.
