

Tone Quality in a Talking Machine is the Whole Thing, and You Get it in the

# Claxtonola

The Claxtonola method of reproduction has established new standards of tone projection, due to new departures from old methods. Tones heretofore lost are brought out and the usual scratching, metallic sounds are eliminated—and the volume is wonderful.

Let us explain all the features of the Claxtonola. We shall gladly put it to any test you wish.

### Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.
