MARRIED

Sunday at high noon, Walter Bailey, pastor of the Baptist church, pronounced the words that made Miss Estella Magill and George E. Findley, man and wife. The ceremony was performed at the home of the bride's mother, Mrs. Mary Magill, corner of Fourth and E streets. Several friends of the young couple were present. Nothing elaborate in decorations, but just a plain, quiet wedding. The young couple left immediately for Portland, where they will visit for a few days with Luella Lester, a sister of the bride.

Mr. Findley was recently mustered out of the navy after spending nearly two years in that branch of the service. He is a bridge carpenter in civilian life, and will resume work at Albany in the near future, where they will make their home.

The home of Mr. and Mrs. L. N. Thompson was the scene of a very pretty, but quiet little wedding party Saturday evening when their daughter, Avis Thompson and Kenneth Barrett took the vows of wedlock. WOMAN'S STATEMENT WILL HELP SPRINGFIELD

"I hated cooking because whatever I ate gave me sour stomach and a bloated feeling. I drank hot water and olive oil by the gallon. Nothing helped until I tried simple buckthorn bark, glycerine, etc., as mixed in Adler-Ika." Because it flushes the ENTIRE bowel tract completely Adler-Ika relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. The INSTANT action is surprising. M. M. Peery Drug Co.

Cure for Dysentery

"While I was in Ashland, Kansas, a gentleman overheard me speaking of Chamberlain's Colic and Diarrhoea Remedy," writes William Whitelaw, of Des Moines, Iowa. "He told me in detail of what it had done for his family, but more especially his daughter who was lying at the point of death with a violent attack of dysentery, and had been given up by the family physician. Some of his neighbors advised him to give Chamberlain's Colic and Diarrhoea Remedy, which he did, and fully believes that by doing so saved the life of his child. He stated that he had also used this remedy himself with equally gratifying results."
