NOTICE OF ROAD DISTRICT MEETING

TO WHOM IT MAY CONCERN:

Notice is hereby given that a meeting of the legal voters being resident taxpayers and owners of real property in Road District No. 18, in Lane County, Oregon, will be held at the hour of two P. M., on the 22nd day of November, A. D. 1919, at the School House at McKenzie Bridge in said Road District, to determine whether said road district shall levy a special tax of five mills upon all the taxable property in said district for the purpose of providing funds for improving the roads in said district.

H. L. BONN,
County Judge.
M. H. HARLOW,
E. R. SPENCER,
County Commissioners

First pub., November 7, 1919.
Last pub., November 14, 1919.

NOTICE OF ROAD DISTRICT MEETING

TO WHOM IT MAY CONCERN:

Notice is hereby given that a meeting of the legal voters being resident taxpayers and owners of real property in Road District No. 9, in Lane County, Oregon, will be held at the hour of two P. M., on the 22nd day of November, A. D. 1919, at the Fall Creek Store in said Road District, to determine whether said road district shall levy a special tax of five mills upon all the taxable property in said district for the purpose of providing funds for the purpose of improving the roads.

H. L. BONN,
County Judge.

Last pub., November 14, 1919.

THE TATTLER
(Springfield High School)

PERSONALS

Grace Shahan is back to school after a week's absence. She has had a severe attack of tonsillitis.

Mr. Roth's room has recently been converted into a modern gym. Already one window has been broken. It will be replaced by a new one, for which the different ones using the room have liberally donated.

Some of the Hallowe'en parties seemed to take great delight in destroying public property, from the looks of the walks and tennis backstop at the High school. We hope these parties did not consist of students or alumni.

There are a good many boys trying out for basket-ball. It looks like old S. H. S. is going to "play ball" this year.

The basket-ball fever is running higher every day at old S. H. S. Something must be done in a very short time or it is liable to turn into something worse than a mere fever.

Owing to the absence of Miss Machen, the geometry class reported to Mr. Roth this morning.

Miss Machen was compelled to leave school yesterday on account of sickness.

Hazel Brattain was absent from school Tuesday.

Quite a number of students have been attending the trial of Martin Clark, accused of killing Charles Taylor.

Olie Sollem is back in school after several days' absence. It sure seems good to see his beaming countenance in general science class again.

Howard Cotton, once a member of S. H. S., was a visitor of the afternoon classes Tuesday.

American Legion Takes Interest in

High School May Not Have Holiday

Despite the endeavors of the faculty to obtain at least a half-day holiday on "Armistice Day", the 11th of November, it seems very doubtful whether we will be granted this holiday or not, so the boys and girls are each planning some entertainment for the afternoon of that day, in case we should not be excused. We will be more or less consoled, however, if we are not excused, by the fact that we will have a week's vacation Thanksgiving, on account of the Teachers' Institute, which will be held during that week.

High School Athletics

The local post of the American Legion has invited the boys of the student body to be present at a meeting to be held Wednesday, November 12, in the Stevens hall, for the purpose of discussing some means for the erection of a place of amusement and place in which to play basket-ball for the boys.

Ex-Students and Alumni visit S. H. S.

We had several visitors at old S. H. S. last week in the form of ex-students and members of the alumni. Jerry Van Valzah, James Lewis and Odin Olson, graduates in '18 and '19, each spent an afternoon with us recalling their own toilsome but pleasant hours spent in our "Halls of Knowledge". Everything went well

NOTICE OF SCHOOL ELECTION TO INCREASE TAX MORE THAN SIX PER CENT OVER THAT OF THE PREVIOUS YEAR.

Notice is hereby given to the legal voters of School District No. 19 of Lane County, State of Oregon, that an election will be held in said District at High school on the 24th day of November, 1919, at 7:30 o'clock in the afternoon, to vote on the question of increasing the amount of the tax levy in said district for the year 1919, by more than six per cent over the amount of such levy for the year immediately preceding.

It is necessary to raise this additional amount by special levy for the following reasons:

The addition to the school course of Manual Training and Home Economics. The increase of teachers' salaries, the increase of pay for janitors, increase of cost of fuel and telephone and insurance.

Dated this 25th day of October, 1919.

CARL E. FISCHER
Chairman Board of Directors.

Attest:
W. J. BAILEY, District Clerk.
First pub., October 31, 1919.
Last pub., November 7, 1919.

with them until they were called upon to make a "Speech" by the student body. Alas! Then they turned rather white and a very embarrassing expression covered their faces, but no amount of coaxing, jeering or clapping could bring one of them to their feet for a speech.

Walter Gossler and Howard Cotton, both ex-students of S. H. S., were among the visitors.

ALUMNI NEWS

The High school has bestowed upon us a place in the "Tattler", and though news is rather scarce, we are going to endeavor to keep that place filled each week. "The great and near great" of the alumni are so scattered about the state that it will be hard to keep in touch with all, but we will do our best.

We are looking to the High school student body this year to produce great results, for we know you have the "stuff" and "pep" to make this year a great one in the history of Springfield High.

The alumni are planning to hold a "hard-time" party in the Stevens hall, Friday, November 7. We wish to take this means of announcing it, and want all members of the alumni present and with regular "hard-time" clothes on.

JOKES

A mouse found its way into the assembly Tuesday evening. The girls screamed, and the mouse died, but the girls screamed on until Mr. Roth drove the mouse and the boys outside.

I see Joyce Mae has a black eye. Oh! you needn't wonder, for she had a quarrel with the indoor baseball and it hit her in the eye.

Mr. Roth (in general science) "What would be the result if all the bacteria were taken from the air?"

Pupil: "Bacteria makes things sour. I guess things would all be sweet."

A school teacher recently asked one of her pupils to name four different kinds of sheep, and the bright little fellow showed that he was quite well posted in literature when he answered: "White sheep, black sheep, Mary's little lamb, and the hydraulic ram."

Mrs. Plank is working. All the love is gone from her book-keeping class, Ralph hasn't been here for a week.

Miss Doris Smith and Mr. Milton Coffman find it very entertaining to look at Collier's, especially when they sit together.

In History VII, before class took up, Harry Hughes came in and sat down on the seat that is broken. The boys on the other end jumped up and poor Harry's feet were more prominent than his head.

Wanted: Pupils to learn cartooning quick and easy, by my simple method. Free instructions given on the window pane. Girls preferred. Meet me at my studio on Mill and E street.—Joseph Deets.

All you need is a dollar! You have a heart.

RED CROSS GIRLS FEED THOUSANDS OF DOUGHBOYS

Since the armistice, twenty-five canteens, operated by Red Cross Chapters in Idaho, Oregon, and Washington have dispensed 23,379 gallons of coffee, and 224,236 dozen sandwiches, to soldiers, sailors, and marines en route. The hospitality of these canteens was accepted nine hundred thousand times, often by men who would have gone hungry but for the Red Cross service thus rendered. Figures show that these men, through the courtesy of the Red Cross, drank 8,497 gallons of iced drinks; used 6,663 bars of soap, and 37,713 paper towels; ate 57,491 chocolate bars, 16,629 pounds of candy, 14,754 dozen cookies, 74,913 dozen doughnuts, 9,488 dozen hot rolls; wrote 436,400 post cards furnished and stamped by the Red Cross; and to their own discomfort during a certain period, wore 12,250 influenza masks. All this, to say nothing of 22,956 full meals.

During this time 1847 sick men were aided by the canteen, seventy-nine of them being removed from trains as too sick to travel, and receiving immediate hospital attention.

Canteen work is nearly over, but the Red Cross still has vitally important work to do. Every membership in the Third Red Cross Roll Call will be a vote of confidence in the American Red Cross.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; also cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
