When you patronize Springfield's leading bank—the First National—you deal with a city, county, state and national depository. Are you safe? Well, yes, I guess so.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

JUNIORS TREAT SENIORS AN ELABORATE 'HARD TIME' PARTY

The class of '21 gave the class of '20 a "hard time" party Friday evening, November 21, at the high school building.

Games were played until the party was called to order by Mr. Roth. The merry-makers were lined up across the stage so that the judges might select the cleverest dressed. The third prize winner was Mona McHenry who in hard-time rags well won her prize. The second, Earnest Korn, who with his little 'Jew' hat and outgrown trousers deserved all honor awarded him. The first prize was a 'baby doll' given to Laurel Griffin who in her little hat, white feathers, flying green ribbons and "Sis Hopkins" hair dress was undoubtedly the hardest looking young person present.

But if you could have seen the faculty! We're sure it was the smartest looking bunch old S. H. S. ever produced. Describe them? Oh! No! We're watching our step for six weeks grades.

Games followed until 10, when they were served with a dandy luncheon of pork and beans, fine buttered lady fingers, rolls and coffee. This ended the noisy bunch and the juniors are expecting a loud return.

SOPHOMORES ENTERTAIN ASSEMBLY.

Last Tuesday morning old S. H. S. was surprised when the curtains were drawn upon a program such as was never before given. The sophomores had, during Thanksgiving vacation, held meetings when all the rest of the universe was having a glorious time preparing for that great feast, and arranged such a program as would fairly dazzle all who saw it.

Their new orchestra which their fellow students insist upon calling a "brass band" owing to its composition of highly prized cooking utensils, horns and garden tools, was one of the main features.

The following is the program rendered:

Speech, Carrie Ditto; song, George Signor; stunt, Dorothy Parvin and George Signor; piano duet, Doris Smith and Edwena Parsons; selection by the brass band; class song, sophomore class.

PERSONALS.

Clarence Powell was absent from school Tuesday on account of a bad cold.

We are proud of old high school building, but these cold mornings we often wish it was not such a fresh air resort.

Roberta Wilson, editor of the Tattler, is absent from school on account of the smallpox. Gladys Edwards is taking her place as editor of the Tattler.

The back of the room seems to be popular on these cold days.

In the Circuit Court of the State of Oregon, for Lane County.—Benj. F. Conway, plaintiff, vs. Fannie Conway, defendant.—Summons: To Fannie Conway, the above named defendant, in the name of the State of Oregon, you are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the 5th day of December, 1919, said date being more than six (6) weeks from the date of the first publication of this summons and being the time prescribed for such appearance by you in the order of publication of summons herein entered of record, and if you fail to appear and answer, for want thereof, the plaintiff will apply to the court for the relief in the complaint demanded and prayed for, to wit: For a decree of the court dissolving the marriage contract and bonds existing between you and the plaintiff on the grounds of desertion for more than one year. This summons is served upon you by publication thereof pursuant to an order of the Honorable G. F. Skinworth, judge of the above court, made and entered of record on October 18, 1919, ordering that summons be published once a week for six successive weeks and the date of the first publication will be October 24, 1919, and the last publication will be December 5, 1919. Frank A. DePue, attorney for plaintiff. Post office address: Fifth and I streets, Springfield, Oregon.

The Girl's Glee club has sent for music which they expect soon. As soon as it comes the girls will then begin their practice.

The sophomores have about a dozen pieces in their band.

Joe Deets and Jessie Larson who have been out of school have just returned.

The sophomore class entertained the student body Tuesday morning.

We were glad to see several of the alumni with us again Monday.

Mollie Doane is absent from school on account of smallpox and will not be back for a week or more.

Congratulations to the sophomore brass band.

It is rather cold at school these days. The stove in the rear end of the study hall is quite a popular piece of furniture.

Several of the girls taking teachers training at the Springfield high school attended the teachers institute in Eugene last week.

Miss Emma Travis was seen drawing a portrait of that dignified senior, George Williams. We would like to know what this means?

JOKES.

Sylvia to Milton who had brought her home—"It was so kind of you to bring me home."

Milton—"Don't mention it."
Sylvia, emphatically—"Don't worry, I won't!"

Milton, leaning sleepily on the counter was aroused by a customer who exclaimed: "Young man, haven't any ambition?"

Milton, half asleep: "I'm sorry, sir, we're just out; we are expecting a shipment any time. Is there anything else you care for?"

Oh! Yes, Elroy has something to be thankful for. He doesn't have to walk to school as Sybil Westfall lives up his way.

Two men were walking down the street, coming to a restaurant.

First: "Let's eat in here old top."

Second: "No, why not eat up the street?"

First: "Many thanks, but I don't believe I can digest asphalt today."

Miss Derflinger—"What does a henpecked husband mean?"

Merle—"Well, if a man gets married and his wife runs him, he is henpecked."

Louis Gibbs was seen by a sophomore going into lawyer's office. Louis bravely walks up to the desk and asks the manager if there is an opening. Sternly from the manager, "Yes, sonnie, just back of you."

If you are in need of typewriter supplies, don't forget the News office.
