### THRIFT STAMP SALE CONTINUES

SAN FRANCISCO, Dec. 3.—Definite announcement that the government will continue the sale of Thrift and War Savings Stamps and Treasury Savings Certificates during 1920 was received here today from the treasury

department by C. A. Farnsworth, associate director of the war loan organization of the Twelfth Federal Reserve district.

"I know that this will be pleasing, not only to hundreds of able Americans, who, recognizing the value of the government's thrift work, have given of their time and ability in furthering it," said Farnsworth, "but it will be equally as well received by those who have taken advantage of the exceptional opportunity of saving offered by the government through the Thrift and War Savings stamp and Treasury Savings certificate. To the educators of the west, too, who have adopted the government's thrift program in the schools as a valuable factor in habit forming education, I am sure that this guarantee of the permanency of the war savings movement will be gratifying."

### A FORWARD MOVE IN CROSS-COUNTRY AIR MAIL SERVICE

One of the new Martin bombers has made the third direct flight between Cleveland and New York city for the postal service. The plane carried 840 pounds of mail and made the trip in three hours and fifty-five minutes. It was piloted by Walter H. Stevens and arrived at Belmont Park at 4:12 p. m.

A comparison of the time consumed by this flight with that of the fastest trains between New York and Cleveland will give some idea of the enormous saving of time in the transmission of mail and express matter between different parts of the country which will be possible when the plans of the government for a country-wide airplane mail service are put into effect.

### AN EDITOR'S TASK.

Most any man can be an editor. All the editor has to do is to sit at his desk six days a week, four weeks a month and twelve months in a year and edit such stuff as this:

"Mrs. Jones of Cactus Creek let a canopener slip last week and cut herself in the pantry. Joe Doe climbed on the roof of his house last week looking for a leak and fell, landing on his back porch. While Harold Green was escorting Miss Violet Wise from the church social last Saturday night a savage dog attacked them and bit Mr. Green on the public square. Mr. Fang, while harnessing a broncho last Saturday, was kicked just south of his corn crib."—Yarmouth Light.

### ACCEPTING DISAPPOINTMENT

A correspondent of the Denver News writes: "Last Sunday an elder announced: 'Owing to a misunderstanding, the supply arranged for in the absence of the regular pastor has not appeared, consequently there will be no service. The congregation will rise and sing 'Praise God from Whom All Blessings Flow' and be dismissed.'"—Christian Evangelist.

The kitchen is the most important room in the house from a health standpoint, says the United States Public Health Service. Keep everything about it and every one in it scrupulously clean.

### DEPORTATION DAY.

What the people of the United States want to know is when they will have opportunity to celebrate "Deportation Day"; that is, the day on which the departure of a vessel bearing a group of conspirators against government back to the lands from which they came, occurs.

They are no longer patiently awaiting the answer to the question which is in the minds of all.

They are thoroughly tired of talk, and nothing but talk, of deportation. —Albany, N. Y., Journal.

The secret has leaked out that the real reason why the farmers were opposed to the daylight saving plan was that they could not get the roosters to adopt it. Instead of the roosters waking up the farmers, it became necessary for the farmers to wake up the roosters. No farmer relishes the task of going out each morning while the rooster is still riding high in the heavens and cuffing a barnyard full of roosters off the perch. So there was nothing to do but repeal the law.
