## THE STORE OF BARGAINS

SUCCESSORS TO COX & COX

By this time we think it is well known to the people of Lane County that the general merchandise store formerly owned by Cox & Cox has changed hands, and the new owners will continue business on the same premises on which the store was formerly operated.

We will try to serve the people with QUALITY, QUANTITY and SERVICE, as this will mean much in helping you to fight the high cost of living at the present time. The more you buy at this store the more money you will save. At present we are busy remodeling the store, so we will have only a few specials this week. But be sure and save your money for next week, as that will be the week for REAL BARGAINS.
