Mrs. John Sovey was a delightful hostess had Friday afternoon when she entertained members of the Priscilla club at the Anchorage Tea house by the mill race at the university. The private tea room which is fitted up for special functions was used for the occasion, the guests spending the afternoon pleasantly about the fireplace. Two young women from the university rendered several groups of vocal and piano numbers as a feature of the afternoon. Tea was served at the close of the afternoon. Those who enjoyed the hospitality of Mrs. Sovey were: Mrs. W. M. Berry, Mrs. John Tomsett, Mrs. L. E. Bradford, Mrs. W. C. Robman, Mrs. Riley Snodgrass, Mrs. W. E. Rouse, Mrs. J. M. Withrow, Mrs. Karl Girard, Mrs. W. M. Donaldson, Mrs. Norman Howard and Mrs. Harriet Stewart.

The members of the Ecclesian class of the Methodist Sunday school will be entertained at the home of Mr. and Mrs. L. J. Byrne in West Springfield Friday night. All members of the class are urged to be present.

A Valentine party at the home of Mollie Doane was enjoyed by a group of high school girls recently. The feature of the evening was the Valentine box. Those present were Veranda Morrison, Phyllis Kester, Ellen Tomsett, Lola Crabtree, Lottie McQuinn, Beatrice Lathrop, Donayella Abrams, Charlene Stewart, Dorothy Doane, Edith Cox, Dorothy Girard, Mable Roof, Gladys Nystrom and Crystal Bryan.

The Needlecraft club had the pleasure of meeting with Mrs. J. E. Richmond last Thursday. A pleasant afternoon was spent in needlework. Not many members being present because of the flu the club will not meet for some time.

Carrying a Ton a Mile for less than a Cent

Freight rates have played a very small part in the rising cost of living.

Other causes—the waste of war, under-production, credit inflation—have added dollars to the cost of the necessities of life, while freight charges have added only cents.

The average charge for hauling a ton of freight a mile is less than a cent.

A suit of clothing that sold for \$30 before the war was carried 2,265 miles by rail from Chicago to Los Angeles for 16½ cents.

Now the freight charge is 22 cents and the suit sells for \$50.

The cost of the suit has increased 20 dollars. The freight on it has increased only 5½ cents. Other transportation charges enter into the cost of the finished article—carrying the wool to the mills and the cloth to the tailors—but these other charges amount to but a few cents more.

The \$10 pair of shoes that used to sell for \$5 goes from the New England factory to the Florida dealer for a freight charge of 5½ cents—only one cent more than the pre-war rate.

Beef pays only two-thirds of a cent a pound freight from Chicago to New York.

American freight rates are the lowest in the world.
