### BRIGHT STRAWS OF SPRING AGAIN SMALL

Fame Fashion says she has no set or regular rules—still she has. And it's the small hat—the hat showing in either spring or fall models which bears out this claim. These two pleasing spring hats, the upper of straw braid, the lower bright-band straw and with the ever-bright bands of spring as trimming, are newest models in the metropolitan shops. Hats and affairs are used quite generally with the straw braid. The colored models in particular bearing to the combination as that shown in the upper picture.

Say, Look Who's Here!

### BETWEEN STYLE AND SERVICE

These shoes of ours for men please nothing to be desired. They are custom cut and are proved, comfortable, durable, and the style is on a par with the custom boot maker's best. And so far as service is concerned you will find little envy in wearing our these shoes. They contain the very best of leathers and trimmings. Sold at an economy price.

### TOES AND HEELS

are the first to wear out in men's shoes. Then the under part of the foot, and the upper part of the foot wears last. Therefore we reinforce all toes and heels and in some makes the underfoot part. Hence you buy here outwears most kinds, because we want you to have even more than your money's worth.

### WHEN YOU LEAVE SHOES HERE

to be repaired, you may have doubts as to our ability to make them serviceable again. Those doubts will disappear the instant you see the shoes we hand back to you. Our work should be called remaking rather than repairing. For we really do re-make old shoes into new ones as a trial will prove.
