We Now Have On Display In Our Sales Room Two New Model Cars, the Premier

American Beauty

For those who seek to express, in the equipages they own, something of the finer impulses and of the finer ideals that guide them in the choosing of their friends and of their homes. To such as these, the present post-war series of Premier motor cars will make irresistible appeal.

The automobile that appeals to the majority of people today is the motor car of comfort and refinement without excess expense. There are a great many reasons for this, the principal one being the national practice of economy in all buying. This has resulted in a more careful study of each part of the automobile, and the American people rightfully expect the dollars they invest in automobiles to go further than they have gone before. That is why the American Beauty appeals to so many.
