Meeting the future more than half way

A grade for each type of engine

Developments in aeronautics have found us ready with a grade of Zerolene for each type of engine.

Thousands of gallons of Zerolene Liberty Aero Oil gave service to the U.S. and Allied Governments during the war.

The same foresight and scientific application marks the work of our Board of Lubrication Engineers in the field of automobile lubrication. Their recommendations of Correct Lubrication with Zerolene are lengthening the life of automobiles everywhere.

There is a Zerolene Correct Lubrication Chart for each make of car. Get one for your car at your dealer's or our nearest station. Use Zerolene for Correct Lubrication.

for Tractors

There is a correct grade of Zerolene for each type of tractor. Get our attractive booklet on the Correct Lubrication of your tractor. Ask our agent for a copy.
