LONE PINE DISTRICT FAVORS ROAD BOND ISSUE

The Pacific highway passes directly through this district, and the taxpayers state that they feel that they are the most favored localities in Lane county in the matter of good roads. They acknowledge that every taxpayer in Lane county has contributed to the building of the good roads in their district, "which has done more toward the development of our community than anything else that could have been done."

"Be it further resolved: That we believe in doing unto others as they have done unto us, and that we are willing to assume the extra burden of taxation that will be necessary to complete the proposed system of good roads and we as taxpayers and citizens desire to go on record as favoring the bond issue and we further pledge ourselves to use all honorable means within our resources to insure the passage of the bond measure at the May primaries." Signed: L. C. Vitus, Francis H. Vitus, J. I. Barbre, Mrs. E. Spencer Barbre, J. E. Day, Hettie J. Robinson, J. G. Robinson, Emmett Howard, G. H. Klukkert, Mrs. Garrett Klukkert, A. Collingwood, H. E.
