Springfield High Play Campus High
The Springfield High school base-
ball team played the Campus High
Wednesday afternoon on the campus.
The score came out 3 to 6 in favor
of the Eugene team, but never-the-less
it was a very close, hard fight.

**Mr. Hemenway Speaks Before
Assembly**
Mr. Hemenway, the gentleman who
gave the entertainment at the Lincoln
building last Friday evening, gave
a short reading in the assembly Mon-
day morning.

Mixed Quartet Practices
The mixed quartet from the High
school met at the home of Roberta
Wilson, for an evening's practice,
last Thursday evening.

Play Success at Thurston
The High school play which was
such a success here April 16th was
given at Thurston, Saturday evening.
Student body cleared about \$80 and
at Thurston about \$20. The student
body voted to put \$5 more with the
\$20 and donate it to the Assyrian
Armenian Relief.

Mothers Entertained
The Domestic Science and Art girls
entertained their mothers at the
Lincoln building in the Domestic
Science laboratory, last Friday after-
noon. The sewing which they have
done during the past year was on
exhibition. A short Mothers' Day
program was given and refreshments
were served by the girls.

The Noble Freshman
There was a gallant Freshman.
Much smarter than the rest.
And when it came to the exams,
He always stood the test.
He dug right in with might and main;
His efforts did put forth.
You never saw a smarter lad
In any kind of course.
And every night he studied hard,
He knew not how to shirk.
And when it came to programs,
He always did his work.
Now do not look for any name,
I will not make him blush.
For if I tell his fellowmen,
He might start feeling fresh.
—Unknown Freshman.

A Freshman's Diary
April 30. Everything bright and fair.
I never seen such weather. It were
just lovely. Gee but I am getting
popular. Guess it is cause I take
such a interest in my work, you know
that it counts. But I wish that you
common folks could see them girls
do the Sallers Horn Pipe dance. Or
all the jumpin, and jigging, and gig-
glin, and a hopin, and a kickin, well
I never seen the like. I have saw a
lot of trained elephants in my day,
but as I said before I never seen the
sich. Then too there are the kor-
resses and I never heard sich music.
But they are going to sing reel well,
jist shake the old maples out in the
front yard. I am so glad that I am
in the chorus, and will get to sing out
side because my voice carries so much
better when out in the open.

In D. S. the other day, we made
salad dressing and I fixed up the per-
fected salad you ever saw, and I axed
Mr. Hamlin to eat it, but he jist got
few bites. Somebody gave me a bau
egg. Course I didn't know the dif-
ference cause I have had a very bad
cold lately.

Jokes
Somethings we would like to know.
Why Dell and Joe Deets insist on
fighting over a piece of stove wood?
Who Leonal Norris had out the
other night?

A buggy or auto or motor car which
holds only two?

If Dora Harvey has her spading
done?

Who Dell Powell escorted to school
the other morning?

"Ye jist, remember one thing,
Willie. Keep your mind clean and
think of good things and good things
will come. Folks who dew wicked
things just hev hed wicked thots
quite a spell."

"Is school teachers 'spectin' bad
things to happen, Aunt Betsy?"

"I aint a knowin if they be, Willie."

"Well," the child continued, "a boy
told me if you watch you can always
tell a school teacher when they set
down, cause they always shove into
a chair sideways instead of settin
down like other folks cause hey're
'spectin' to set on bent pins."

Personals.

The peunanship class is practicing
for high school certificates and we
hope that they succeed.

The sophomore class had a dandy
time on their picnic. We wonder if
the other classes have forgotten about
picnics.

The girls of the teachers training
class have nearly completed their
practice teaching. They are required
to teach fifteen weeks but have made
this up by taking double assignments.
The classes in English VI are now
studying Milton's poems L'Allegro and
Il Penseroso.

ELECTION, MAY 21

STATE ROADS

**Vote 302 X Yes
For 4% State Road Bond Limit**

BALLOT TITLE IS AS FOLLOWS:

302 X Yes

303 No

CONSTITUTIONAL AMENDMENT—Referred to the people by the
Legislative Assembly.
**LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS
FOR PERMANENT ROADS.**—Purpose: To amend Section 7 of
Article XI of the Constitution of the State of Oregon so as to permit the
creation of debts and liabilities including previous debts and liabilities
for the purpose of building and maintaining permanent roads to the
amount of four per cent of the assessed valuation of all the property
in the State of Oregon, instead of two per cent as now provided by law.

**NO PROPERTY TAX—NO DIRECT TAX
NO INCREASE IN AUTO LICENSE FEES
NO INCREASE OF GASOLINE TAX**

Keep these three facts in mind. The present auto license fees and
gasoline tax will pay both the principal and interest on all the bonds
under this amendment, and will yield an annual surplus besides for other
state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportion-
ments or Oregon cannot get the benefit of Federal money for Oregon Roads.
Increasing this constitutional limit is a necessity. Unless limit is increased,
either state roads cannot be completed for many, many years, or must be finished
by direct property taxation. This measure avoids direct property tax for state
highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenue from auto license fees and gasoline tax, without increase of present rates,
will be ample to pay both principal and interest on these bonds, is clearly set forth by official figures
in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification.
Examine the table carefully. It proves that no property tax is required and that present rates for
auto license fees and gas tax will redeem principal and interest and yield surplus bonds.
