There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

SENIOR RECEPTION
The annual custom of the juniors giving a reception in honor of the seniors, was successfully carried out Wednesday evening, May 26. The reception was held in one of the rooms in the high school building and was decorated to represent a Japanese tea garden. The piano in one corner had a large bouquet of white snowballs on it and bouquets of red peonies were placed artistically about the room. The color scheme of red and white, which are the senior class colors, was carried out effectively. A large bouquet of the class flowers, red and white carnations, was placed on the table set for the seniors.

After a two course luncheon each senior toasted the class of '21 and Mr. Roth and Mr. Hamlin delivered delightful after-dinner talks. We were then entertained by the prophecy of the class of 1920 which was portrayed on the screen, followed by vocal and instrumental solos, readings and chalk talks.

The junior boys had charge of the entertainment and refreshments and the girls had charge of the decorations. All was done nicely and all those present are sure to carry with them pleasant memories of the event. Seniors present were: Misses Mona McHenry, Juanita Lombard, Opal Mason, Sibyl Westfall and Messrs. Russell Olson, George Williams, Dell Powell, Clarence Powell. Juniors attending were Misses Male, McBe, Harcey, Strubin, Griffin, Shahan, Ditto, Roberts, Brattain, Parsons, Hill, Abrahams, Lombard, Wilson, Paden, Edwards, and Lindley, and Messrs. McPherson, Deets, Clark, Coffman, Ninnis, Fandrem, Signor, and Mr. and Mrs. Roth and Mr. and Mrs. Hamlin.

CERTIFICATES RECEIVED
Mrs. Plank's penmanship class is rejoicing over the results of a semester's hard practice. From the beginning of the semester we have been working faithfully trying to win a Palmer method high school certificate. From a class of nineteen the following received their reward: Dorothy Girard, Rhoda Jack, Joyce Male, Vesta M. LaRue, Gladys Nystrom, Clara Vollstedt, Beulah Harper, Lulu Edwards, Minnie Boesen, Alene Larimer and Donzella Abrahams.

COMMENCEMENT FRIDAY
The commencement exercises for this year will be held Friday, June 4,

in the Methodist church. Dr. H. D. Sheldon of the University of Oregon will deliver the address.

STUDENT BODY ELECTION HELD
An election was held Thursday morning for the nominations for officers for the student body next term. The nominations were so scattered among the classes that it was necessary to hold another election Friday morning, choosing the three having highest numbers of votes at the previous election. At this election Helen Roberts was elected vice president; Carrie Ditto, treasurer; Dora Harvey, secretary; Clifford Fandrem, sergeant at arms, and the presidency was tied between Edwena Parsons and Joe Deets, making it necessary to vote a third time, when Joe Deets was elected.

The students in assembly sang old songs, familiar to all, during the voting which took place in Mr. Roth's room.

ENGLISH IV CLASS HAS DEBATE
The English IV class gave a long and well prepared debate Thursday morning. The question was, "Resolved, that the jury system should be abolished in the U. S."

FROSH HAVE PICNIC
The freshman class had a picnic Wednesday afternoon after the ball game. It was held in Fandrem's grove and the evening was spent with games and stories. Everybody reported having had a lovely time.

GAMES
Springfield Hi played Campus Hi of Eugene Tuesday afternoon, playing a good game. The score was 4 to 2 in favor of Springfield.

Us Birds Win
S. H. S. just naturally had to box the score again from Junction City last Friday. The boys played on Junction's field, making this the first victory away from home. At the beginning of the game Junction ran up six points and remained that way for six innings and Capt. Fandrem says: "It's this way, fellers, we gotta win this game, lets freeze em out proper," and so it was. At the seventh inning the S. H. S. boys broke loose and left Junction City the small end of the score 9 to 4. The Junction boys were good sports and took it kindly.

As the Springfield high school closes June the 4th, for this term of 1919-20, I will take this, my last opportunity to bid you farewell. (Aloah Oe.) As each and every one of us part, and go to our different pleasure resorts, or occupations for the summer, we will, I am sure, be thinking of and planning for the time when we will once more be back to our old "Hall of Knowledge."

I wish, in behalf of the student body, to thank the alumni and the ex-students, for their kind cooperation throughout the term, and you, dear reader, for your kind attention.

Wishing you a pleasant and prosperous summer, I remain,
Yours truly, Editor.
