Quality and economy

You gain an advantage in the resources, experience, knowledge and equipment of the Standard Oil Company, which combine to make Zerolene. They insure a uniform product of quality. They create an efficiency in the manufacture of fine lubricants hard to duplicate elsewhere in the world.

Our Board of Lubrication Engineers has determined the correct consistency of Zerolene for your car. Their recommendations are available for you in the Zerolene Correct Lubrication Charts. Get one for your car at your dealer's or our nearest station. Use Zerolene for Correct Lubrication.

For Tractors

There is a correct grade of Zerolene for your tractor. Get our booklet on its Correct Lubrication. Ask our Agent for a copy.

"They're Talking About It Everywhere" says the Good Judge

How much more genuine satisfaction you get from a little of the Real Tobacco Chew than you ever got from the old kind.

The good, rich, real tobacco taste lasts so long—you don't need a fresh chew nearly as often. That's why it saves you money.

Any man who uses the Real Tobacco Chew will tell you that.
