#### NOTICE TO WATER CONSUMERS.

It has come to our notice that many water consumers in Springfield are disregarding our rules in regard to irrigation. The hours in which irrigation is allowed is from 6 to 10 in the morning and from 5 to 9 in the evening. On account of the large amount of water used at this time of year, we will be compelled to shut off the water of any one using it for irrigation outside of these hours.

## "Are You Getting Real Tobacco" says the Good Judge

There's more good, lasting taste in a little of the Real Tobacco Chew than you get out of the ordinary kind.

You don't need a fresh chew nearly so often—that's why it costs you less to chew this class of tobacco.

Any man who uses the Real Tobacco Chew will tell you that.
