There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

"A Good Bakery"

Mrs. Beauty Lover:—

Have you not in your home many pieces of furniture that you have grown to "hate"?

If so, move them out and buy new ones. Life is too short to be spent grieving about a rickety old chair or table.

Come in and see OUR new things; our prices on them will lead you to make many of them YOUR new things.

Our Furniture FURNISHES.

Respectfully yours,
