TO MY DENTIST

(With apologies to the author of "The Rosary")
By Grace G. Bostwick
The hours I spent with thee, Cruel Heart,
Have saved my precious pearls for me;
I count each patched-up one of them apart
But oh, your fee—your awful fee!
Each hour a pearl, each pearl a prayer
To ease a jaw with anguish wrung;
I tell each one unto the end
And there a bill is hung!
O memories that stab and burn!
O deadly drill and nerve that's lost,
I view each tooth and strive at last to turn
And cuss the cost, old top, and cuss the cost.

STAYS WHERE LINCOLN PUT HIM 56 YEARS AGO

When George Evans, chief clerk in the Interior Department, was 14 years old he was a drummer boy with the Union Army at Gettysburg. President Abraham Lincoln visited camp, became interested in Evans and took him back to Washington—making him a messenger in the Interior Department.

A rookie who was the butt of all jokes was on guard one night when he saw a figure advancing in the dark.

"Who goes there?" he challenged. "Major Moses," replied the officer. The rookie scented a new joke. "Glad to meet you, Moses, old top," he sang out. "Advance and give the Ten Commandments."

It has come to our notice that many water consumers in Springfield are disregarding our rules in regard to irrigation. The hours in which irrigation is allowed is from 6 to 10 in the morning and from 5 to 9 in the evening. On account of the large amount of water used at this time of year, we will be compelled to shut off the water of any one using it for irrigation outside of these hours. A Grateful Letter.

It is in trying conditions like that of Naples, N. Y. that proves the worth of Chamberlain's Colic and Diarrhoea Remedy. "Two years ago last summer" she says "our little boy had dysentery. At that time we were living in the country eight miles from a doctor. Our son was taken ill suddenly and was about the sickest child I ever saw. He was in terrible pain all the time and passed from one convulsion into another. I sent my husband for the doctor and after he was gone thought of a bottle of Chamberlain's Colic and Diarrhoea Remedy in the cupboard. I gave him some of it and he began to improve at once. By the time the doctor arrived he was out of danger."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for booklet and testimonials.
