In Society

The ladies of the M. S. P. club entertained their husbands at a Halloween party last Friday evening at the home of Mrs. W. C. McLagan. The rooms were prettily decorated with autumn leaves and Halloween festoons. Fortune telling and various

games were a pastime for the evening. Refreshments appropriate for the occasion were served during the evening.

Those present were: Mr. and Mrs. L. A. Smith, Mr. and Mrs. Harold Hartley, Mr. and Mrs. R. L. Burnett, Mr. and Mrs. Henry Casten, Mr. and Mrs. Carl Wyman, Mr. and Mrs. E. W. Albers, and Mr. and Mrs. W. C. McLagan.

At the meeting of the Neighbors of Woodcraft, election of officers for the ensuing year were held with the following results:

Past guardian neighbor, Minnie Girard; guardian neighbor, Harriet Casteel; advisor, Rella Peterson; clerk, Nina McPherson; banker, Lilly Kizer; magician, Maggie McLagan; attendant, Arnel Hodgdon; captain guard, Mary Magill; musician, Bernice Van Valzah; managers, Cora Hinson, Emily Dority, Mary Magill.

After the business session refreshments were served by the committee. A number of Eugene members were guests of the local circle in the afternoon.

One of the most enjoyable affairs of the season was the Christian Endeavor annual Halloween party given in Morrison's hall, Friday, October 29th. The main room was decorated in vine maple and pumpkins with four cleverly contrived pumpkin ghosts peering from behind trees. The banquet room was decorated in yellow leaves, yellow and black crepe paper and dahlias.

As it was a masquerade, everyone came appropriately attired as spooks, clowns, devils, etc., and ready to participate in the program for the evening which consisted of games, stunts, fortunes, etc.

In arranging for partners for supper, the names of states were given the boys and their capitol cities given the girls. Consternation and a general mix-up followed for it was soon evident that very few knew who their partner should be and did not even recognize her when they saw her.

Refreshments of pumpkin pie a la mode and sweet cider ended the evening's fun.

The Christian endeavors plan to have some sort of party or social jubilee every month, believing that clean socials are essential to the success of any christian organization.

We invite all the young people who are not lined up with any young peoples' society to visit our Sunday evening service at 6:30.

Our next party will probably be on New Years eve, although nothing definite has been arranged.

The afternoon was spent at the home of Mrs. Dippel where vaudeville stunts by the women of the club furnished the amusement. Seven original acts were staged to the delight of all present.

Announcement To The Public

I will move my furniture store on or about Monday November 5, 1920, to the building previously occupied by A. A. Gibson, on Main street near Fifth.

In my new quarters I will carry a more complete line of home furnishings, and by having more room, I will be able to make better display and give better service to my ever growing list of customers.

We have enjoyed an exceptionally good business in the past few months, in fact that is why we are moving—because where we have been we didn't have room to take care of our trade.

If you are not on our list of customers, you are invited to call in and see us—look over our stock—and have us explain our

Profit Sharing Plan

that will go into effect November 10th... It is not Red Trading stamps—but I'm sure it will interest you more, as it pays a much larger per cent.

Thanking you for past favors, and assuring you good prices, good quality, good and accomodating service and a guarantee on every article you buy from me, I am,

Yours truly,

CAN BE CURED

We can cure any skin disease. Don't be a skeptic: come and see for yourself.

Why suffer, when you can get results—we kill the germs.

We prevent sickness by inhaling the fumes produced by the destructive distillation of hydro carbons, and electricity, combined with medicines.

We always fumigate the house before we lift a quarantine, why not fumigate the body also? It can be done at the Electro Medicated Inhalatorium.
