Colds not only cause a tremendous financial loss but also a serious injury to every one who contracts them as they lower the vitality and prepare the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say "I had a hard cold last winter". Why not take Chamberlain's Cough Remedy and cure your cold why you can.

The junior league will be held at 2:30 p. m. to which all children who have not a similar society of their own, are cordially welcomed.
