"for clean oil in a clean engine"
Inside facts on a dirty job!

YOUR ENGINE requires an internal bath frequently. Road dust, carbon from the combustion chamber, and fine particles of metal worn from the bearing surfaces get into the lubricating oil in the crankcase. All this dirt circulates with the oil through the engine. If it isn't drained out regularly there's bound to be excessive wear and tear.

Gasoline also escapes past the pistons and dilutes the oil.

Modern Crankcase Cleaning Service gets rid of the dirty, diluted oil,

flushes the crankcase thoroughly and refills with clean, fresh oil.

The garages listed below are now equipped to perform this needed service quickly and for a nominal charge. We use Calol Flushing Oil, which cleanses thoroughly without danger of contaminating the fresh Zerolene refilled into the cleaned crankcase.

TODAY: Bring in your car for Modern Crankcase Cleaning Service. It will result in better engine performance and longer life for your car.

HOW A MODEST GIFT MAY BECOME A GREAT ONE

Possibly this year you may be disposed to think seriously and constructively of your Christmas giving.

There is more than one way in which you can make gifts carrying with them far beyond their intrinsic worth—values real, tangible and substantial as well as values in education and character building.

Suppose, for example, you presented some one you cherish with an income-paying investment in the Mountain States Power company. Not only do you give a substantial present—one that does not depreciate or wear out—but also an income, regularly paid so many times a year, regardless of the owner's health, capacity for work or general circumstances.

This investment-gift may be the first practical lesson the recipient has ever had in financial subjects—the use of money and its earning power—the productiveness of thrift—the necessity of investment toward the progress and welfare of all—an inspiration leading to self-control and education in the handling of funds.

If our suggestion appeals to you we are sure you will find a call at our office decidedly interesting and profitable.
