Notice is hereby given that Lena Morrow Lewis of California will lecture on the new Social Order Jan. 21st, 1921 at Morrison hall. Everybody welcome. "I believe in the Constitution of the United States. Isn't it strange that we Socialists stand almost alone today in defending the Constitution of the United States. The revolutionary fathers who had been oppressed under king rule understood that free speech and free press and the right of free assemblage by the people were the fundamental principals of democratic government. The very first amendment to the constitution reads:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."—Paid adv.

There will be a W. C. T. U. institute held at the Baptist church, corner of Pearl and 5th, Eugene, on Wednesday, Jan. 26th, beginning at 10 a. m. and continuing until 4:30 p. m. Worth Considering.

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in checking their colds, in their beginning, you will secure a bottle of Chamberlain's Cough-Remedy without delay, and use it faithfully. There are many families who have used this preparation successfully for years and hold it in high esteem. It is excellent.
