EIGHTEENTH YEAR

SPRINGFIELD, LANE COUNTY, OREGON, THURSDAY, FEBRUARY 3, 1921

NUMBER 3

## GIRLS GLEE CLUB WILL ENTERTAIN

Solos, Sketches, and Oregon Songs On Program at Bell Theatre Tonight

As the super-attraction of the season, the Girl's Glee Club of the University of Oregon is booked to appear in concert at the Bell theatre Thursday evening, February 3, at 8 p. m. The Glee Club is made up of twenty-four of the best ladies voices in the University which were selected following the try out of nearly 100 voices. In every respect the present club is the best ever produced at the University and at the several appearances which they have made already this year they have been most enthusiastically received. The artistic balance and general quality of their work is seldom to be equalled in any group of college voices.

The program to be presented this evening is composed of a generous supply of brilliant and effective chorus numbers, pleasing piano and vocal solos, a quartet of ladies voices, and a musical sketch written and costumed by the girls themselves which alone would make one well satisfied with the evening's program. Professor Leland A. Coon, of the University of Music, the director of the Club, expresses himself as most highly pleased with the work which the Club has been doing this year and is confident that the public will not be slow to recognize the real value of the girl's accomplishments. The personnel of the Club follows:

## ANNIVERSARY OF BOY SCOUTS SUNDAY

Union Services Will Be held at Methodist Church Sunday Evening at Seven Thirty

In honor of the date when the Congress of the United States granted a charter of the National Council of the Boy Scouts of America, four hundred thousand Scouts will celebrate next week. For a decade scouts all over the United States have done some extra "good times" and have right to call attention to the good parts of the organization.

The local scout organization will begin Sunday by taking part in a union service at the Methodist Church.

Supt. F. E. Hamlin or representative of the scout committee will preside. Their will be special music by girls from the University. One of the boys will give the scout oath and the scout laws. Mr. Joe Deets, who has been a scout for over five years will tell in a few words, "Why I am a Scout." Scout Master McFarland will give a three minute report on the condition of the local troop. Rev. Childers of the Christian church will read the Scripture and Rev. Yarnes of the Methodist church will give the invocation. You will enjoy hearing Rev. Varney of the Baptist church give the address. Dr. Varney is particularly fitted for the task. For many years he has been connected with Scout work. Be sure to come. The boys need your cooperation and you need the inspiration which will be sure to get.

Express Company Helps European Relief

Among the numerous agencies throughout the country co-operating with Herbert Hoover, Chairman of the European Relief Council, in his effort to raise \$33,000,000 by means of a national collection for the relief of incipient starvation among 3,500,000 children in the warstricken countries of Central and Eastern Europe are the American Express Company and the American Railway Express Company. Through the authorization of G. C. Taylor, president of both organizations, "INVISIBLE GUEST" certificates, certifying that the purchaser has salvaged the life of one or more of the little war victims, have been placed on sale at 25,000 of the company's offices throughout the United States. The cost of saving one child until the acute condition has been relieved by the next European harvest is \$10.00 but donations of small sums are welcome, and a contribution of only \$1.00, under the economical administration of the Council will keep life in a little body for a month. The European Relief Council is an amalgamation of the American Friends Service Committee, American Red Cross, American Relief Administration, Federal Council of the Churches of Christ in America, Jewish Joint Distribution Committee, Knights of Columbus, Y. M. C. A. and the Y. W. C. A., formed by Mr. Hoover for the elimination of duplicate effort in ministering to the starving children, to the end that the last penny of every dollar contributed might reach a hungry child in the form of feed or service. "INVISIBLE GUEST" certificates, which can be purchased for any amount from \$1.00 up, are on sale at the local office of the American Railway Express Company.

GRANGE AGAINST SALARY RISES AT PRESENT TIME

## GRANGE AGAINST SALARY RISES AT PRESENT TIME

At the meeting of Lane county Pomona grange at Junction City Saturday a resolution was adopted favoring the bill introduced in the United States senate by Senator Clapper to prohibit gambling in farm products on the various boards of trade. Another was adopted opposing the bill now pending before the Oregon legislature relative to the redistribution of taxes levied in incorporated towns and cities for road purposes. It was pointed out that the cities and towns were directly benefited by the country roads and should bear their just proportion of the burden. Another relating to rise in salaries of officials was as follows:

Whereas, There is a bill now pending before the Oregon legislature for the purpose of increasing the salaries of certain state and county officials, and

Whereas The high cost of living offered as a reason for said raise is now rapidly declining and

Whereas All the products of the farm are on the downward grade therefore be it

"Resolved By Lane Pomona Grange in regular session assembled, at Junction City, Oregon, on this 29th day of January, 1921, that we go on record as being opposed to any raise of salaries at this time, and earnestly request our senators and representatives from Lane county to do all in their power to defeat any such legislation."

W. A. Ayers, market master of the Pomona grange, submitted his annual report, which was well received by the grange and indicated that his de-

partment was in a flourishing condition.

The membership of the Lane county granges is now about 2600 and growing rapidly. Lane now has the distinction of being the strongest grange county in the state.

Preliminary arrangements were made for the entertainment of the Oregon state grange at its annual meeting which will be held in Eugene beginning the first Tuesday in June, and the committees which will have charge of this work were appointed.

About 150 grangers from various parts of the county attended the meeting, members being present from Cottage Grove, Creswell, Goshen, Trent, Springfield, Mohawk, Coburg, Willakenzie, Four Oaks, Irving, North Fork, Mapleton, Main River, Maple Creek and a large delegation from Junction City.

This being the first meeting of the Pomona in 1921, the officers for the coming biennial era duly installed by Past Master C. J. Hurd. The principal officers are W. R. Wing, master; Mrs. Minie Plank, lecturer, and E. A. Bond, secretary. F. B. Harlow, H. C. Wheeler and Ed. L. Ayers are members of the executive committee.

A rising vote of thanks was tendered the Junction City grange for their hospitality and entertainment.

The place of meeting of the next Pomona was left with the executive committee.—Eugene Register.
