THE TATTLER

PLAY IS A SUCCESS

Last Friday evening the Springfield populace was entertained by a pleasant program given by the Springfield high school at the Bell theatre. A large crowd attended the play "Laughteresque," this being the first program of its kind ever attempted by the school for some time.

The most pleasing surprise of the evening was the school orchestra. All the stunts were highly praised, but the Freshman stunt, "Lone Pine Literary Society" received the most comments and the Junior Tableau came next in mention. Dr. Hose of "Henville Hospital" had the worst case of the evening.

The High School wishes to take this opportunity to thank those who attended the show for the interest taken.

SOME OF OUR GREAT MEN

—By Heck—

We of the Springfield high school grieve over the loss of some of our great men, namely, Hawkshaw Halsey since he lingered in the sea of matrimony. Mister Halsey was one of the most promising young men of the Senior class until his brain became paralyzed with this great disease, we now place him in the same group as Bonapart O. Wedgewood of the burg Henville, County of Algone and the State of Misery.

Nextly, Merj Casteel of the Sophomore class, who also has been overtaken by this disease, you, beyond all hope of recovery! He caught it by coming to school to early—and so did she! Allow me, Mister Casteel and family attended the play.

Thirdly, Skinny Man (Vern) Kief, another glorious senior gone to the "wimin," has shown extraordinary tact by choosing "her" young. Mr. Kief brought his "Bench" to the show Friday.

Gerald B. Endicott ("B" is for bugs) and Ralph Kilne are not far behind, being freshmen they are naturally a little late in starting, but they will soon catch up, both being very "fast."

Lastly, we of the normal minded (Sj) Weber let us hope and wish that these of the feeble minded may in a course of time recover. (Even at that they say that Sj has a girl in Eugene that he's never met).

"What's the matter with Kessy?" (Chorus) "He's all gone too."

They Appeal To Our sympathies

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. Many such, however, have been completely restored to health by the use of Chamberlain's Tablets. These tablets strengthen the stomach, invigorate the liver and improve the indigestion. They also cause a gentle movement of the bowels. When you have any trouble with your stomach, give them a trial.

Let us figure on that next job of printing. We can save you money.

A Judicious Inquiry

A well known traveling man who visits the drug trade, says he has often heard druggists ask a customer, who wished to buy for a child or an adult and if for a child, they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for colds, croup and whooping cough it is unsurpassed.
