

# SWEET PEAS

SWEET Peas are becoming more popular each year. New, large varieties produced in recent years are truly gorgeous. Their beauty and fragrance endear them to everyone.

Success with Sweet Peas depends to a large degree upon the seed and upon early planting. Northrup, King & Co's Sweet Peas have been famous during many years for their great yields of large, beautifully colored blossoms. In the Sterling Seed Case at local dealers, you will find these seeds in excellent mixtures as well as in single colors. Cultural directions on each packet.

### Found a Cure for Indigestion

"I use Chamberlain's Stomach and Liver Tablets for indigestion and find they suit my case better than any dyspepsia remedy I have ever tried and I have used many different medicines. I am nearly fifty one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now," writes

George W. Emory, Rock Mills Ala. These tablets contain no pepsin but strengthen the stomach and enable it to digest food naturally.
