HELP IS OFFERED, and is freely given, to nervous, delicate women, by Dr. Pierce's Favorite Prescription. Remember no alcohol—ingredients on label—in Tablet or Liquid form.

There is but one thing that holds old age back, and that is health. Sickness and weakness bring old age, wrinkles and hollow eyes early in life. Dr. Pierce's Favorite Prescription is a building-up medicine for women. It makes them healthy and strong when they suffer from women's troubles. It keeps them looking young by keeping them well.

How to Keep Rubber Soft.
 A prominent tire manufacturer says that an excellent way to prevent hardening of inner tubes when they are stored for the winter is to place them in hot water once a month or every six weeks. They should be immersed for just a couple of minutes, and should then be carefully dried and partly inflated before being hung up again. This treatment serves to keep the rubber pliable and soft.

Many Miles of Piping.
 If the water and gas mains which underlie the streets of New York city were placed end to end they would form a continuous pipe line sufficiently long to reach from the Atlantic to the Pacific coast.

The Cuticura Toilet Trio
 Having cleared your skin keep it clear by making Cuticura your every-day toilet preparations. The soap to cleanse and purify, the Ointment to soothe and heal, the Talcum to powder and perfume. No toilet table is complete without them. 25c everywhere.—Adv.

Indian Cradle Boards.
 There are nine different kinds of cradle boards used by the various tribes of North American Indians. The Eskimos did not use such a board. The baby was wrapped in the hood of the mother's fur coat. In the most southern tribes the baby was merely bound to the mother's back by a strip of cloth long enough to hold it.

Garfield Tea, by purifying the blood, eradicates rheumatism, dyspepsia and many chronic ailments. Adv.

Childish Tasks Important.
 "Men are but children of a larger growth." In the home the child should have certain regular tasks to perform and should be taught that he has at- tend to them conscientiously. The care of pets, plants, flowers and of younger children, the responsibility of performing certain household duties develops strength of character.—Exchange.

Constipation, indigestion, sick-head-ache and bilious conditions are over- come by a course of Garfield Tea. Drink before retiring. Adv.

Croquet, Too!
 Jeer as the light-minded and frivolous may at the decenter and un- hilarious game of chess, the finger of suspicion has never been pointed at an international chess tournament, and it has never been hinted that any of the players were seduced by the lures of the professional gamblers.—Spring- field Union.

Do It Now.
 Motto for Pessimist—Never put off till tomorrow what you can rue to- day.—Boston Transcript.

Lose by Impatience.
 Every cloud has its silver lining, but some folks are so impatient they just can't wait for that side to turn out.
