Fish Unable to Swim.
It is a fact that there are fish which cannot swim. A Brazilian fish, called the maltha, can only crawl, walk or hop. It has a long, upturned snout, and resembles to some extent a toad. The anterior fins of the maltha are quite small and are not suitable for use in the water. They are in reality tiny paws which are of no service for swimming.—Dearborn Independent.

Wordly Friendship.
When I see leaves drop from their trees in the beginning of autumn, just such, think I, is the friendship of the world. Whilst the sap of maintenance lasts, my friends swarm in abundance; but in the winter of my need they leave me naked.—Warwick.

Drying Shoes.
To dry wet shoes quickly stuff them with paper and put near the fire, though not close enough for the leather to burn.

Cultivate Brevity.
If you would be pungent be brief, for it is with words as with sunbeams—the more they are condensed the deeper their burn.—Southey.

Just Like a Man.
The average man thinks he sweeps them up when he scatters with a flirt of his handkerchief the cigar ashes he drops on the floor.—Buffalo Enquirer.

THE FLAVOR LASTS

IT'S DANGEROUS GROUND
that you stand on—with a cough or a cold, and your blood impure. Out of such conditions come grip and pneumonia. You must do something. Dr. Pierce's Golden Medical Discovery relieves severe, lingering Coughs, Bronchial and Throat Affections, and diseases that can be reached through the blood. When you're weak after an attack of grip or fever—you will build up health and strength and put on needed flesh by taking the "Discovery."
All druggists. Liquid or tablets.

Cuticura for Pimply Faces.
To remove pimples and blackheads smear them with Cuticura Ointment. Wash off in five minutes with Cuticura Soap and hot water. Once clear keep your skin clear by using them for daily toilet purposes. Don't fail to include Cuticura Talcum.—Adv.

Shared Fame With Friend.
It is said that virtually all the plays to which the names of Beaumont and Fletcher are attached were written by Fletcher alone. Beaumont was a friend of Fletcher's and lived with him, they had a kind of David and Jonathan affection for each other, and Beaumont's name is said to have gone on the plays more for sentimental reasons than for any other.

Paint Brush's Many Uses.
Nothing is better to take dust down the stairs than a good paint brush. It removes the dust from the corner niche of each step, brushes between the stair railings of moldings in a way no cloth can possibly do. Indeed a medium size paint brush of about four inches width has many uses in the house.

A Cynicism.
The two keys to success are luck and pluck; luck in finding someone to pluck.—Life.

Tolling the "Passing Bell."
The passing bell was rung in English pre-reformation times for the dying as well as after death. The practice grew out of the belief that devils and evil spirits troubled the dying and lay in wait to torment the soul when it had left the body. After the reformation the passing bell was discontinued, although tolling after a death is still the custom.

Possible Explanation.
"Mother," said the sweet girl, "George told me solemnly that that pretty hairpin holder he gave me cost \$5; yet today I saw exactly the same kind on sale for ten cents." "You know, my dear, that George is very religious," replied mother. "Most likely he bought that at a charitable bazaar."

Story of the Thimble.
The modern thimble dates from 1684, when the goldsmith, Nicholas Benschoten of Amsterdam, sent one as a birthday present to a lady with the dedication, "To my frou van Rensselaer, this little object which I have invented and executed as a protective covering for her industrious fingers."

On Reading.
And choose an author as you choose a friend.—Earl of Roscommon.
