## In Society

Mary Roberts and Mrs. Al Montgomery entertained the Pine Needle club at the home of Mary Roberts, last Thursday, March 31. A very enjoyable afternoon was spent with games and fancy work. Of course every one was happy when Mrs. Montgomery stated that partners should be drawn for lunch. Each person was given a string and told to pull. Out of the next room came a board with April Fool written on it in large letters. Everyone's lip began to hang until the hostess said places would be drawn at the table. The table fairly groaned with good things to eat.

Invited guests were: Mesdames McLean, Barnard, Washburne, Page and Mrs. Sneed of Eugene.

Members present were: Mesdames Van Valzah, Johns, Lloyd, Kizer, Taber, Dority, Nelson, Larimer, Ada, Nina and June McPherson, Montgomery and Roberts.

The club will meet with Mrs. Lloyd of West Springfield April 7.

## "NOW-A-DAYS"

says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.

## Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.
