Lumbago

This is rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's

Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or

right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."
