"After Every Meal" Everywhere

All over the world people use this goody for its benefits, as well as its pleasure.

Keeps teeth clean, breath sweet, throat soothed.

Sealed Tight — Kept Right

**Good Friday.**  
Has been observed since the earliest days of Christianity in memory of the crucifixion of Christ, which event is said to have occurred Friday, April 15, 29 A. D., or April 3, 33, A. D. The expression "Good (probably God's) Friday" is said to be peculiar to the Church of England. It is observed the Friday before Easter.

**Solved!**  
That indefinable something which we call charm is what enables a girl to violate the traffic rules day after day with absolute impunity.—Ohio State Journal.

**There's Various Kinds of Killings.**  
Cosmetics, says the medical examiner, never killed anybody. And still many a girl has painted, as she dressed to kill.—Portland (Ore.) News.

**Cuticura Soothes Baby Rashes.**  
That itch and burn with hot baths of Cuticura Soap followed by gentle anointments of Cuticura Ointment. Nothing better, purer, sweeter, especially if a little of the fragrant Cuticura Talcum is dusted on at the finish. 25c each everywhere.—Adv.

**No Trouble—It's a Pleasure.**  
A woman can put so much meaning into a look that one wonders why she even takes the trouble to say anything.—Boston Transcript.

**Tiny Infants Become Robust.**  
Parents whose children are abnormally small at birth can take heart, for recent figures show that tiny infants frequently grow up quite robust and of normal proportions.

**Favored College Men.**  
A professor says the best jobs are held by college graduates. Especially graduates of the electoral college.

**Alcohol Stains.**  
White stains left by alcohol on furniture can be removed by rubbing them with spirits of camphor.

**Oh, Those Wavy Eyes!**  
From a story: "She was a beautiful girl with wavy brown hair and eyes."—Boston Transcript.

### In Ye Olden Time

Hoop skirts were worn by those who first asked the druggist for, and insisted on having, the genuine "Favorite Prescription" put up by Dr. Pierce over fifty years ago. Dress has changed very much since then! But this "Prescription" for women has never been equalled.

**No Red Tape.**  
"One thing I particularly admire about the law of gravitation," said Sir Isaac Newton as he rubbed his head when the apple hit him, "is the simplicity and accuracy of the methods for its enforcement."

**Sidewalk Perils.**  
Statistics show that more people are killed and injured by tripping, slipping and falling than from any other accidents. Another argument against the pernicious habit of scattering orange and banana peels on sidewalks.

**Not Their Fault, Either.**  
Widows, says a secretary of a widows and widowers' social club, are lonelier than widowers. Yes—but not long.—San Diego (Cal.) Sun.
