It is estimated that the United States and the state of New Jersey will profit to the extent of half a million dollars by income taxes to be levied on the principals and promoters in the Dempsey-Carpentier world's championship prize fight, July 2. Recommends Chamberlain's Tablets
"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

The Home of the Soul

In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

METHODIST CHURCH
Thos D. Yarnes, Pastor

Just now we are studying a very profitable line of thought in the Sunday School, in relation of Christianity to the various phases of the social problem. Next Sunday the subject will be, "Christianity Transforming the Social Order."

Next Sunday evening there will be a very special feature at the regular preaching hour when the choir gives its sacred Concert, composed of the best musical numbers given during the past year. The choir has been doing excellent work under the capable leadership of Arthur Johnson, of Eugene, and this Concert will be a treat that music lovers cannot afford to miss. It will be free, only the regular offering being taken.

Everybody cordially welcomed

"NOW-A-DAYS" says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.
