American ships, flying the Stars and Stripes will carry you and your goods anywhere

Two and three generations ago, the Stars and Stripes were all over the world. Then they almost vanished from the seven seas. But today they are back again.

Big splendid steamers, American owned and operated, carrying passengers and goods, are crowding their way into all foreign harbors with the Stars and Stripes proudly fluttering from their masts.

HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.
