BOY SCOUTS

(Conducted by National Council of the Boy Scouts of America.)

TO CRUISE IN BUZZARD'S BAY

The 1921 National Council Seacamp of the Seascouts, Boy Scouts of America, will be pitched on the grounds of the Tabor academy, Marion, Mass. The camp will furnish equipment and space for three full ships' companies and some extra officers. Any seascout, scout or cabin boy, weighing at least 112 pounds and at least 15 years of age is eligible to participate. The program will, like all scouting, be "fun and work mixed." The law of the camp is the scout law; trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, clean, brave and reverent.

The training for the first ten days (July 6-16) will consist of the regular seanship routine with elementary seamanship, life-saving and short cruises under oars. This will be followed by a long cruise down the bay for all hands in the Curlew's flotilla of boats, camping each noon on one of the many fascinating beaches and islands at hand. This will be the third annual cruise of the Curlew. The same program will be repeated July 28 to August 6; August 7 to 18. The 67-foot American schooner, Black Duck, under Eusign Cheatham of the Tabor academy staff, will also cruise in Buzzard's bay manned by her regular crew and such seascouts as are "schooner men." General Goethals, chairman of the national seascout committee, and other members of the committee will visit the camp from time to time.

THEY KNOW HOW TO DO IT.

GETS MEDAL FOR BRAVE ACT.

The Court of Honor of the National council recently awarded a bronze medal to Harry C. Harper, a charter member of Salt Lake Troop No. 51, for his courage and prompt action in saving the life of a five-year-old child who was in danger of being dashed to death over an embankment in an automobile. The child was alone in his father's car and accidentally released the brakes, setting the machine moving backward toward the embankment. The child's screams attracted the attention of young Harper, who ran out from his own yard, jumped on the running board of the car and succeeded in stopping it, just as it balanced itself on two wheels on the edge. A moment's delay and both the child and the scout would probably have been crushed under the car. Harper is an Eagle scout and distinguished himself during the war, for his achievements in selling Liberty bonds and War Savings stamps. He was awarded medals for both these services and possesses the ace medal with five silver bars and the Liberty loan medal with bars of honor for each campaign.

SCOUTS TO HELP AIR SERVICE.

Washington scouts had the honor of laying the first marker "D. C. 1," for the new air route from Bowling Field to Dayton, Ohio, and plans are being made at the request of the federal air service for definite co-operation of boy scouts with the service. Some of the work which it is contemplated having scouts do will consist of helping aviators making forced landings, reporting adverse weather conditions, marking airways, guarding planes landed or broken, night signaling, dispatch work, reporting on terrain, etc.

Good Looks

Good looks in women does not depend upon age, but upon health. A woman's health depends more upon the feminine make-up than upon anything else. You never see a good-looking woman who is weak, run-down, irritable, out of sorts, fidgety and nervous. Head-aches, backaches, dragging-down feelings, irregularities and troubles of that sort are all destroyers of beauty. Men do not admire sickness.
Dr. Pierce's Favorite Prescription not only acts upon the troubles and weaknesses peculiar to women, but is an all-round tonic that braces the entire body, relieving nervousness, sleeplessness, headaches, dizziness.

Historic Dead Sea.

The Dead sea, a lake in Asiatic Turkey and lying near the southern extremity of Palestine, probably got its name because its atmosphere was formerly supposed to be fatal to life—an erroneous idea, for the people who live on its banks are said to be in the enjoyment of good health. But fish cannot live in its waters, which are especially nauseating. The Jordan and six other rivers flow into the Dead sea, which has no outlet, but gets rid of its surplus by evaporation. In the Bible this baneful body of water is called the Salt Sea of the Plains and Sea of the Arabah.

May Achieve Goodness.

Curses Really Amount to Little.
In the southern portion of the Apennine peninsula the remark, "May an accident befall you!" is only a friendly way of passing the time of day. But expression of the hope, "May you be carried home in four pieces," is due cause for riot on the spot. There are many ways, the world over, for cursing your enemies, but when you come down to it they are rather trivial things to say.

Country Life is Sweet.

The best and most hopeful feature in any people is undoubtedly the instinct that leads them to the country to take root there, and not that which sends them flocking to the town and its distractions. The lighter the snow the more it drifts; and the more frivolous the people the more they are blown, by one wind or another, into towns and cities.—John Burroughs.

Meanings of Dream Faces.

To see a grim, distorted face denotes suffering. To see a handsome face of the opposite sex, good news and happiness. To dream your face is handsome signifies long life, but if pinched and pale, sorrow, loss of a friend. If your face is dirty and you wash it, you will repent of some actions.

Wandering Greenland.

Norwegian scientists claim that Greenland is moving slowly to the west at the rate of about ten yards a year. They say it was once connected with Norway and has moved 875 miles in the last 100,000 years and still is moving.

Dream Lore.

To witness an execution denotes success in love; such a dream shows your sweetheart to be fickle and little calculated to make you happy. To see one or more men executed denotes great success in trade.

Misunderstanding.

We are accustomed to see men deride what they do not understand, and snarl at the good and beautiful because it lies beyond their sympathies.—Goethe.
