EIGHTEENTH YEAR

SPRINGFIELD, LANE COUNTY, OREGON, THURSDAY, JUNE 23, 1921.

NUMBER 23

CUT GRASS AND WEEDS IS ORDER OF CHIEF OF POLICE

And improve City's appearance. The city ordinance requires all property owners, agents, or occupants of property within the corporate limits to cut and remove grass, weeds, thistles and bushes in the alleys and streets adjacent to their premises between June 23 and June 30.

Chief of police Donaldson says he is going to see this ordinance enforced this year. During the past years many property owners and occupants of property have neglected to cut the grass and weeds in their parking, and as a result the city has been subject to many adverse remarks.

This year there has been a movement toward improving the appearance of the streets, but there are yet many who have failed to observe the ordinance in this respect. It is suggested that we present as good appearance as possible to the hundreds of visitors and tourists passing through our town.
