for the New Model

DORT

Quality Goes Clear Through

This is not only one of the most beautiful cars in America, but one of the most economical to operate. It is not at all surprising to get from 23 to 25 miles to a gallon of gasoline.

And think of it—you may own one of these remarkable motor cars at \$985 factory. And on our easy payment plan, too. Write us direct—today—or see your local Dort dealer.

Some very desirable territory still open to responsible parties who would like to act as dealers. Very attractive proposition.
