It comes from the hotel men that we are likely to have a return to the American plan of hotel service. We always were 100 per cent American on that.

Among the schemes which are now being discussed for raising more revenue to help Uncle Sam out of his financial difficulties are the taxation of untaxed securities and the raising of letter postage to three cents. Of course those of us who do not happen to be holding any untaxed securities just now, but do have to write a few letters, will favor taxing the securities and letting the postage remain as it is.

A young man from Long Island, who calls himself a poet, has undertaken to walk from New York City to San Francisco. An important incident of his undertaking is a wager that he will win—whatever he may mean by that—a thousand kisses from young women on the way. If he lives to get through, he may do it; for he will probably have a chance, on so long a journey as that, to meet a thousand young women who will covet the notoriety of being kissed by a young adventurer like that—a poet, too. But it is very much to be feared that, long before he gets through, some muscular damsel or her father or brother, or some married woman or her husband will spoil his kisser for service for the rest of the way.

"Stop Thief," featuring Tom Moore is a faithful and intelligent adaptation of the famous stage success, at Bell, Saturday, July 30th.

Charles Mills and his son, an uncle and cousin of F. E. Louk, visited in this vicinity during the past few days, at the home of his sister, Mr. Louk's mother, at Creswell, and at Louk's and left for some point in Washington, not fully determined, probably Seattle Wednesday. Mr. Mills had sold out in Colorado about a year ago, and he and his son had been on the move since, looking out for a satisfactory location.

Final episodes of "King of the Circus." The lost inheritance with Eddie Polo, Wednesday, August 3rd.

Ole Lysdahl, wife and 8 weeks old baby, of Fresno California, are here visiting Mr. and Mrs. Geo. B. Prettyman. The two ladies are sisters. Their mother, whose home is at Grants Pass, joined the Lysdahls on their way up, and is enjoying the visit with her two daughters. The baby, when the family gets back to Fresno, will have made a round trip of about 1500 miles in a Ford. Pretty good for its first excursion.

Would your kiddie be a whirlwind in the movies? Take him to see "Two Kinds of Love," Wednesday, Aug. 3rd and watch "Breezy" Eason, the child-wonder of the screen at his best. Also the last episode of "King of the Circus." Bell.

Mrs. E. E. Brattain and her daughter, Mrs. Eva Rice, are up from the lower Siuslaw for a few days.

Dr. S. Ralph Dippel, dentist, Springfield, Oregon.

## One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he can not be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars.
