Some time ago Carl E. Fischer exchanged his residence property on Emerald Heights, including the orchard ground below the house to W. J. Lichty, of Eugene, receiving some farm property in the deal. Last week Mr. Fischer and his family moved to Eugene. By this exchange, Springfield loses a business man and citizen, and Springfield society a family which it can ill spare at this time. The old home is unoccupied as yet, and probably Mr. Lichty does not contemplate moving to it at the present.

Cause of Appendicitis.
When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.
