

THE TATTLER

Junior-Senior Party

The Juniors and seniors decided to combine their pocketbooks as well as their "forces" and have a party. They believe in the old saying "the more the merrier". The piano was moved over to the gymnasium where the party was held.

Games were played and everyone enjoyed themselves as they liked best. The boys probably enjoyed the latter part of the evening best, when a dainty and delicious luncheon was served. Everyone reported a good time.

*The Ford

Flivver, thou of tin and rabbit,
With thy crazy way and habit,
With thy paint all scratched and rusted,
With thy radiator busted;
Knowest thou thy fate?

With thy differential squeaking,
With thy crankcase torn and leaking,
With thy tires with mileage gotten,
With thy top, mildewed and rotten;
Thinkest thou the day is late?

To trade you for a wagon
With a coat that you can brag on,
Whose engine sounds like coming night,
Whose top is new and water tight;
Dost I make my meaning clear?

Still, per can of gasoline
Thou canst best said limousine,
And thy tires they are much smaller,
Thou gets more miles per dollar,
I guess I'll wait a year!

We wonder if Mr. Torbet is giving
Carl Lewis the same "fartherly" advice
as he gave the shorthand III class?

No one realized what a good example
Mabel Roof and Leonel Voris were setting
before the Springfield youngsters,
until Marion S. tried to follow her
by taking Harry Harbert home. They were
last seen on the way.

All though they don't climb the flag pole
or race up and down the bannisters
we have monkeys in school. Alfred T. being
one. Mrs. Myers so

christened him Tuesday.
Virgil Mc.: "Give me a piece of paper,
I want to write a nose note."

Wow! Whose the lucky guy? I see
Ellen Tomseth supporting a large sapphire
these days.

There are several bells in school,
for instance, Lenabell, Crystabell,
Carreybell, fire bell and class bell.

The S. H. S. basketball team will reorganize
Tuesday evening. After they get settled
again they expect to do better work
in the future at least we hope so.

We wonder why, we never see Miss
Williamson's sweet and charming face
in gym any more. (Mac).

We wonder why ever so often Winifred
Harpole leaves the room and when she
comes back her lips are so red and her
eyebrows are as black as the tail of a
black cat.

What we haven't heard about Co burg
isn't worth bearing. Dot Ditto spent
the weekend there.

Wonder why Mabel Humphrey wasn't
at the junior-senior party. Probably she
was entertaining Winston.

Every one seems to miss something.
Rather like a string bean. Skinny Mortensen
is out of school with a severe cold.

We wonder:
What would happen to Thelma Sweeney
if it wasn't for a certain little frosh boy?

Why Mrs. Myers likes English III
What the little disagreement between
Adelaide and Ralph was over?

Who walked over the hill with Ralph
last Thursday?
Why Amy Love holds her nose so much?

Why the students stay behind the curtain
at the noon hour?
What Miss Williamson would do in
cooking if it wasn't for Lowell Sikes?

Miss Williamson was so busy talking
to Lowell Sikes, Tuesday, she forgot
to give us a lecture in domestic science.

Prof Roth in ancient history: "What
is a barbaric?"
Student: "A person that runs a barber
shop."

Bill Morgan: "I've broke my glasses."
Harry H.: "Well, can't you drink it
out of the bottle?"

Roses are rare
Violets are few
I sure picked a lemon
When I got you.

Resolutions of Respect for Neighbor Edward H. Denton

In view of the loss we have sustained
by the death of our esteemed neighbor,
Edward H. Denton, and of the still
heavier loss sustained by those who
were near and dear to him, therefore
be it resolved by the Springfield
Camp No. 10956, M. W. of A.: That
we extend our sincere sympathy to
the family in this, their great loss
and commend them to Him who
orders all things for the best.

And be it further resolved that we
drap our charter for a period of
thirty days and that a copy of these

resolutions be spread on the minutes
of the camp and a copy be sent to the
family.
