

## TOWN AND VICINITY

A number of schools in Lane county were suspended for a time during the late "flu" epidemic, on account of the sickness of teachers or pupils.

Charles Ray in "An Old Fashioned Boy" is a story of an 1866 lover in a 1922 fashion. At Bell Theatre, Saturday.

The annual conference of the Southern Oregon conference of the Free Methodist church will be held at their chapel in West Springfield, some time in May.

Dr. S. Ralph Dipple, dentist, Springfield, Oregon.

Geo. I. Dean had a job, Monday, of "gumming out" a couple of saws for the National Products company. They had him also show them his method of pointing a saw, which he has found in his eleven years' of wood sawing to be very effective. He puts on a diamond point, instead of a straight, stender point; and he says this greatly increases the cutting power of a saw.

Did you smile? Sure—we know you did when you heard that Hall, the shoe doctor, was back on the job. Bring them in at the old stand.

Prof. Lambert had his little brush with the "flu" during the past week, along with the rest; but he managed

to confine the worst stage of it to the vacation time between weeks, losing only the latter part of Friday from school.

Wanted—A High school girl to work for her board and room. Will pay some wages. Inquire of Mrs. Jim Harpole on D street, two blocks west of High school, after 7 p. m. 1tc

They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. Many such, however, have been completely restored to health by the use of Chamberlain's Tablets. These tablets strengthen the stomach, invigorate the liver and improve the digestion. They also cause a gentle movement of the bowels. When you have any trouble with your stomach, give them a trial.

Chamberlain's Tablets For Indigestion and Constipation  
"The nicest and pleasantest medicine I have used for indigestion and constipation is Chamberlain's Tablets" writes Merjard F. Craig, Middle Grove N. Y. They work like a charm and do not gripe or leave any unpleasant effect.
