 The Key to the learning for which you are yearning
 Is easy to find if you look;
 But never try finding that secret by grinding
 Or looking for it in a book
 I'll tell you a system that surely beats this one,
 A system that's easy enough—
 Try looking sagacious, that's most of ficious.
 That's part of a system called bluff.

SPRING IS HERE

A robin's saucy call is heard.
 That cheerful, gritty little bird.
 The daffodils' yellow heads
 Are showing up among the beds.
 The fragrant breeze crossing my cheek
 Tells of jounquills and violets meek.
 A lark's rich voice breaks on the air:
 "Be of good cheer, for spring is here."
 The bluebird too! Today I saw
 A flash of bright blue wings.
 A robe of springlike green is worn
 By all the growing things.
 So birds and flowers and balmy breeze
 All tell of spring's approach;
 Is it not enough, dear friends,
 To cure any case of mopes?

Sow Flax Shallow

Mineral Mix for Hogs
 A mineral mixture for hogs, kept before them at all times, is a great help in keeping the animals in good physical condition. A healthy and thrifty hog will utilize feed to better advantage than one not physically fit, so grain will be saved by using mineral. The following mixture is recommended by the United States department of agriculture: wood ashes, 1
