Senior Sneak Day

Because of the seniors' superior knowledge they were allowed to have "sneak day" last week. Mr. Roth told the other youngsters that if they would be good and study hard, he would have a surprise for them at three o'clock; so at three o'clock sharp they all went down to the kitchen and lo, there were huge dishes of pink taffy for every one. About three-fifteen some of the seniors came "sneaking" back and wanted some of the candy, but even Miss Williamson refused them a dish.

Last Wednesday evening the juniors set in quest—no not of the gold.

en flooco, but something every bit as important—the seniors scalp. About midnight they crept home each one hidden behind an enormous grin. The next day the seniors scalp was hanging on the stage curtain with the Juniors number on it.

Lumbago

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

Voters Demand Live Man For National Committeeman

Williams Fought Roosevelt

Republicans all over the state are getting ready to vote on May 19 to elect O. H. FITHIAN National Committeeman, instead of Ralph E. Williams, who has had the job for 14 years and would like to have it for 14 more.

FITHIAN is a hustling business man who has been a life-long worker in the Republican party but has never sought political office. Williams is a professional politician and nobody seems to be able to point to a single thing that he has ever obtained for the State of Oregon or her people.

In the 1912 Republican national convention, Williams fought Theodore Roosevelt, although the Oregon delegates were pledged to support the great American.

FITHIAN, when elected, will go to Washington and help the Oregon delegation in Congress obtain for Oregon farmers and livestock men a just share of the loans now being made by the War Finance Corporation.

In Properties You Can Watch**

AN INVESTMENT in the Gold Notes of Mountain States Power Company is made for two principal reasons 1 safety, and 2 regularity of cash returns, paid by cashing a coupon twice a year.

MONEY SO INVESTED goes directly into the properties in the form of extensions, additions and other improvements. It enables providing service for additional homes and industries and it also enables the Company to do a larger business.

THE INVESTOR has the satisfaction of actually seeing his money put to work in a way that helps to build up his town, and contributes to the welfare and prosperity of every person in it. The cash return he receives from his investment also stays in the community instead of going outside.
