THE OLD "Smoke-House" IS DOOMED

The modern method of smoking meat is an improvement over the old-fashioned and tedious process. The object of smoking meat is to preserve it and to slightly modify its flavor.

WRIGHT'S LIQUID SMOKE will accomplish this. The meat should be coated with it. It is merely a short cut to better results.

DOES IT PAY TO WORRY ABOUT APPENDICITIS?

Can appendicitis be guarded against? Yes, by preventing intestinal infection. The intestinal antiseptic, Adler-ka, acts on BOTH upper and lower bowel removing ALL food, decaying matter which might start infection. EXCELLENT for gas on stomach or chronic constipation. It removes matter which you never thought was in your system and which nothing else can dislodge. One man reports it is unbelievable the awful impurities Adler-ka brought out. Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. Catarhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be reduced your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.
