Who Earns the Pin Money?

Do you earn your boy's spending money? Do you earn the nickels your little girl spends for candy? Or does the youngster earn it—either at home or at some little job outside?

There is a great principle involved. The child that has learned the economics of the thing never asks for the money to buy something he desires—he asks for a way to earn it.

Give yours a savings account for Christmas this year and a way to earn a little money around home.
